GOOD FOR STRIKING WABASH TRAINMEN

Judge Adams of St. Louis Grants Their Application and the Injunction is Dissolved.

St. Louis, April 1.—Judge Adams of the United States circuit court, this morning granted the application of the Wabash railway trainmen for a dissolution of the temporary restraining order issued by him recently.

He reviews both sides and takes up clause by clause of the allegations and denials, and says, in as much as the trainmen deny any intention of interfering either with interstate commerce or the United States mails, their only purpose being to better their condition, they have undoubtedly the right to peacefully withdraw from the railroad employment until such time as wages which shall be satisfactory are conceded.

The question as to whether the officers of the railway trainmen or the men themselves first suggested an increase of wages and a change of rules was declared immaterial.

RIGHT OF EMPLOYEES

Summarizing the rights, duties and privileges of the employees, Adams says, "An employee has the unquestionable right to place a price and impose conditions upon his labor at the outset of his employment or unless restrained by contract obligations, upon the continuance of his labor at any time thereafter."
