**California Olive Oil**  
We have just received a fresh supply of California Olive Oil. We get this oil from the growers in Southern California. This oil is absolutely pure. You can prove this to your own satisfaction if you will notice the very perceptible olive flavor. It tastes just as the olives do. It is impossible to counterfeit this flavor and it is not found in any oil which has been adulterated to any considerable extent, because cottonseed oil and other adulterants are practically tasteless.

75c PINT OR \$1.25 FULL QUART BOTTLES

Use Olive Oil for every kind of frying or wherever you use butter. Most people, no doubt, consider Olive Oil too expensive for ordinary use, but it is not, as a quart of oil is equal to about two pounds of butter. Shall be pleased to show you our oil.

Number 22118 Held by Pendleton Woman—Total of 23,000 Tickets Out.

Mrs. C. F. Coleworthy is the proud owner of the beautiful buggy given away by the Boston Store to the person holding the winning number.

A large crowd gathered at the store last evening and much interest was manifested in the outcome as there was a vast number of tickets scattered in all parts of the city and county, and all had a part ownership in the prize until it was decided who was the lucky one.

The giving out of tickets was started December 24, and stubs of all numbers were placed in a churn and one was drawn out by Minnie Jones, which decided the winner. The number drawn was 22118, and was presented this morning by Mrs. Coleworthy. The total number of tickets given out was 23,000.
