Florence Penland, who died Sun-

day evening of scarlet fever, was the youngest child and only daughter of Mr. and Mrs. L. E. Penland, being aged 11 years and 5 months. She was a most lovely child and beloved by all who knew her. In her Sunday school, the First Baptist, she was one of the most regular and attentive of the most regular and attentive scholars and in private conversation with her only a short time ago, the writer believes that she had given her heart to God and is now safely with Him forever. She was the idoi of the family, beloved most tenderly by the whole family and no one can nossibly know how they have suffer. possibly know how they have suffered in this departure, but there is also a firm belief on the part of all that God doeth all things well to those that love Him. The family desire through me to express their gratitude to all who have so kindly sent flowers and those who in any way have given an act or word of sympathy.
