California Olive Oil

We have just received a fresh supply of California Olive Oil. We get this direct from the growers in Southern California. This Oil is absolutely pure. You can prove this to your own satisfaction if you will notice the very perceptible olive flavor. It tastes just as the olives do. It is impossible to counterfeit this flavor and it is not found in any oil which has been adulterated to any considerable extent, because cottonseed oil and other adulterants are practically tasteless.

75c PINT OR \$1.25 FULL QUART BOTTLES

Use Olive Oil for every kind of frying or wherever you use butter or lard.

Most people, no doubt, consider Olive Oil too expensive for ordinary use, but it is not, as a quart of oil is equal to about two pounds of butter.

Should be pleased to show you our oil.
