In part, Mr. Pentecost said:
"The class of Roosevelt's ideal person is one who is ready to work, fight. son is one who is ready to work, ngit, suffer and have children. He regards others as shirkers and criminals. "To be married and have children if you are intelligent and are sure you

are bringing your children into a destrable world is well, but marriage and child-bearing as it now goes on among the poor and ignorant, is a crime against the race. As people become more intelligent, they have fewer children, and I venture to say that after many people have had children grown, if they had the ex-perience over again they would have

'So long as conditions remain as they are now it is foolish for work-ing people to marry, and still more foolish for them to have children if they do marry, for every child born to them is a new little slave of mine or mill.

BOODLERS WAR

Makes Startling Disclosures in the Alum Bill Fraud.

MANY LEGISLATORS BILLED FOR STATE PENITENTIARY.

Many Confess to Their Misdeeds in Effect to Escape Imprisonment-Has Been Learned to Whom Senator Collins Gave Five \$1,000 Bills at the End of the Session.

St. Louis, April 14.—The grand jury is still in session at this place and many disclosures have been made concerning the boodling done by the members of the state legislature.

So numerous and startling are these disclosures that it is now only a question of how many will confess to

their corruption in an effort to es-cape the state penitentiary.

By a subpoenaed effort the grand jury has learned to whose credit State Senator Collins placed five \$1,000 bills in the Lafayette National Bank. These bills were deposited only a few days after the adjournment of the leg-

WILL LAY ALASKAN CABLE.

General Greely Goes North to Seek Landing Place for New Line.

Spokane, April 14.—General A. W. Greely, chief of the United States eignal service corps, passed through the city this morning bound for Seattle, where he will make arrangements for the landing of the Alaskan cable connecting that city with Juneau and Sitka.

The mission of General Greely at

this time in connection with the lay-ing of the cable is to confer with the coast army officers and the business men of Seattle relative to a place for the landing of the cable. While the ocean wire is intended as a war measure, it is also to be used

for commercial purposes.

The idea of the department has been that the landing be made at Fort Lawson. However, if this was the only landing the remoteness from Seattle would destroy most of its

value for commercial purposes.

Two plans have been suggested in this connection. The one most favorand connect it with a land wire to the city. The work of laying the cabie is to be undertaken at once. The general during his Western trip will also arrange many other details.

THE MORMON BASIN OUTRAGE

CHINESE WANT \$100,000 AS INDEMNITY MONEY.

District Attorney Hall Has Been Ordered to Baker City to Investigate the Shooting of Chinese Last Summer in Malheur County.

Baker City, Ore., April 14.—Last week's visit to this city by United States District Attorney John H. Hall has served to renew discussions of the reported outrage perpetrated upon defenseless Chinamen at Mormon Ba-sin last summer, and in the interest of which Attorney Hall was here. It was given out that Uncle Sam's barrister had been ordered to Baker City by Attorney General Knox, who was in receipt of an indemnity demand from the Chinese legation at Washington.
