OREGON CROPS AND WEATHER.

Weekly Summary of Eastern and Central Oregon Conditions.

The following weekly summary of crop and weather conditions in Eastern Oregon, on April 14, is sent out by the bureau at Portland:

Columbia River Valley.

Antelope, Wasco County.—Fall grain up and growing nicely. Pastures extra fine, also outside range. Fruit prospects good. Spring seeding and gardening backward. Lambing season begun. Weather favorable for crops.

Wasco, Sherman County.—Seeding well advanced. Fall grain is backward on account of cool weather. In some sections fall grain is being damaged by cut worms, but too early in season to know extent of damage. Early gardens being planted.

Mayville, Gilliam County.—High winds; some frost at night. Fall wheat uninjured, but not growing much. Plowing and seeding in progress.

Douglas, Morrow County.—Cloudy, cool and windy. Crop condition favorable. Spring wheat all sown. Summer fallow being worked. Fruit trees in bloom, but held back by cool weather.

Adams, Umatilla County.—Extremely cold, with snow and cold winds. Crops making very slow growth. Wheat generally has a good stand, but is very backward. Pastures short. Gardens backward.

Plateau Region.

La Grande, Union County.—Weather unfavorable for growth. Cold, windy and freezing. Fruit trees very backward, nothing in bloom yet. Ground plows up nice and mellow on account of the hard frozes during winter.

Baker City, Baker County.—Spring unusually backward. Some plowing being done, but with difficulty, as the ground is partially frozen. Grass is coming up, but not sufficiently to afford pasturage.

Joseph, Wallowa County.—Fall wheat looks better. Where wheat was put in properly, the indications

are good, where sown on stubble and disked in there is not much in sight. Weather unfavorable for sowing. Ground very wet. Pigs doing well. Prairie City, Grant County.—Weather warm and grass growing nicely. Sheep out on the hills, but no cattle turned out yet.

Plush, Lake County.—Light rains with occasional snow, followed by warm sunshine. Altogether beneficial to crops and range.

Kindergarten Teachers.

Pittsburg, Pa., April 15.—The arrival of a number of belated delegates to the International Kindergarten Union convention resulted in a largely increased attendance when the gathering got down to business this morning. The forenoon was occupied entirely with the consideration of reports, the appointment of committees and other business of a routine character. This afternoon was given up to entertainment and jaunts to places of interest about the city. An interesting program has been arranged for this evening, the chief feature of which is an address on "The Relation of the Kindergarten to Civilization," by Dr. William T. Harris, United States commissioner of education.

Dana-Halstead Wedding.

Cincinnati, O., April 15.—A wedding of note today was that of Miss Clara Halstead, daughter of Murat Halstead, the well-known journalist, and Mr. George Dana, prominent young merchant of this city. The ceremony was performed this afternoon at the home of the bride's parents. In attendance upon Miss Halstead were her two sisters, Mrs. William A. Davidson and Mrs. Arthur Stem. The ushers were the six brothers of the bride, who came from New York, Chicago, Washington, Montana and England to attend the wedding.

Iowa Wants Good Roads.

Des Moines, Iowa, April 15.—Many parts of the state were represented today at the opening of the Iowa Good Roads' conference and many more delegates are expected to put in an appearance before tomorrow. The program provides for the discussion of the good roads question from all viewpoints and the conference is expected to result in a decided impetus to the movement in Iowa. Numerous manufacturers of bicycles, automobiles and road-making machinery are in attendance.

On Trial for Tunnel Crash.

New York, April 15.—John H. Wisler was placed on trial in the criminal branch of the supreme court today on a charge of manslaughter in the second degree. Wisler is the engineer who was in charge of the train which crashed into another suburban train in the New York Central tunnel on January 8, 1902, causing the death of a score of passengers. The outcome of the trial is awaited with much interest because of the lively dispute as to the responsibility for the disaster.

Knights at Fort Wayne.

Fort Wayne, Ind., April 15.—This city is gay with the colors and emblems of the Knights Templar in honor of the hundreds of visitors here for the 49th annual convolve of the grand commandery of that order. All sections of the state are represented, and by tonight it is expected that the attendance will eclipse all records. Business sessions were held today and will be concluded tomorrow with the election of grand officers for the ensuing year.
