ORDER OF PENDO.

Now Has About 100 Members in Pen dieton-Officers of Local Lodge.

The Order of Pendo in this city now numbers about 100 members, but few people outside of those who belong to the order seem to be aware of its existence. The national convention of this order will be held in San Francisco July 14. The delegate elected thereto is W. H. Huston. The state convention will be held in The state convention will be held in October, but the delegates have not been chosen. The officers of the lo-cal lodge are W. H. Huston, counse-lor; T. M. Keller, past counselor; Mrs. Annie Egeard, vice-counselor; Mrs. William O'Brian, chaplain; John Cab. Here and C. State and C. Schwarz, C. Schwarz, C. S. Schwarz, Sc Mrs. William O'Brian, chaptain, John Zehner, treasurer: Mrs. T. M. Keller, secretary: Orville Reeves, guide: Mrs. Mae Stanton, warden. The di-rectors are T. M. Keller, John Zeh-ner, H. C. Cook. The order meets regularly the second and fourth Tues-der science of each wards in Japon day nights of each month in LaDow hall.

Bridge Gange at Weston.

Two bridge gangs will be put to work at once five or six miles the other side of Weston. for the complete rebuilding of the two long wooden trestles in that neighborhood belonging to the O. R. & N. It is expected that the work will take all summer, more or less, as it necessar-ily has to be done by piecemeal. There are 45 men in the two gangs, which will be employed on the work. 15 bridge builders under Martin, and 30 laborers under Kelly.

Sheep Healthy.

A. P. Warner of Combs Canyon. was in the city Saturday. He lately sold 1,100 yearling lambs to Thomas Boylan, for the San Francisco mar-ket. He has 1,600 sheep remaining on his ranch. His own and every-body else's sheep are all right, being in good flesh and healthy. He will drive his sheep to summer range about May 15.

mittee

Will Raise More Hay.

Will Raise More than the Charles Alcott, of Pilot Rock, a prominent rancher of the upper Birch was in the city Saturday, Creek, was in the city Saturday trading. Mr. Alcott, who is the own er of 1.600 acres, will fence a quite large acreage, and plant the new ground to wheat for hay. He reports grass still short in that country and grass still short in that country and livestock as still thin, but improving rapidly in condition. He reports nearly all the Upper Birch Creek stockmen are arranging to break more ground and raise thereon hay. This is the result of the lesson the past winter has taught them. All through that country loss and less past winter has taught them. All through that country less and less dependence will hereafter be put in the natural range and more and more reliance will be placed upon the sys tematic use of forage crops.

Strawberries in Good Shape.

R. E. Grossehming, who resides seven and a half miles southwest of the city, will build a new residence and barn this summer, and also three and three-fourths miles of hog-tight fence. Mr. Grossehmig has in 200 acres of extra fine wheat. His seven acres of young bearing fruit trees are all clean and in fine condition except that the peaches were nipped by the frost this spring. An acre of strawberries on his place are in un-usually fine condition for this time in the spring. There is no sickness at all in that neighborhood,

Cohen's New Residence.

Work on the foundation of Leon Cohen's new residence at the corner of Washington and Monroe streets, will begin tomorrow. The building will be frame, two full stories in height, with basement, and will be 33x50 feet in size. It will have nine rooms with a full complement of closets, will have a bath, and be modern throughout. It will cost about \$6,000 and will probably be completed by the first of next Sep-M. R. Yates is the contrac tember. tor

May Day Celebration.

The executive committee for the May Day celebration is making good progress. It has engaged two bands for the day and made other prelimin-ary arrangements. The city schools repeat on that day for the delectation of the public, their parade of Arbor day, the procession starting, as it did that day, from the high school The May pole will be crect grounds ed and the dance about it will take place on the campus of the high school. The committee is having an immense banner painted advertising the day, and it will stretch across Main street. The committee will have another meeting next Friday night.

Here From Kansas.

Rev. A. L. Thoroughman and wife are in the city the guests of Mr. Thoroughman's mother, Mrs. H. Thoroughman, who lately arrived from Woodson county, Kansas, and is at the home of her grand-daughter. Mrs. Lipscomb, on East Bluff street. Another son of Mrs. Thoroughman. accompanied by his wife, are expected daily from Vancouver, Wash., on a visit here. Mrs. Thoroughman, Sr., is on her way to Lakeside. Wash., to make her home with her daughter. Mrs. R. Plumb.

Much Wheat Contracted.

J F. Stunkie of Despain Canvon. overhauling his threshing outfit in readiness for this year's business. His plant has a capacity of 2,000 bushels per day and in connection with it he runs three headers. Mr. Stunkle hns 2,000 acres of the com-ing crop contracted for in advance. He has followed threshing 16 years-14 years in Missouri and Kansas and two years in Oregon

A New Chop Mill.

Eimer Snyder, of Despain Canyon, has put in a new chop and feed grinding mill, using J. F. Stunkle's This question arises in the family 20-horse power traction engine for power. Mr. Snyder thinks of investing in an entirely new steam thresh ing outfit that will cost thousand dollars.

JANE ROOSEVELT HURT.

Was Run Over by Team of Horses and Badly Trampled-Hopes of Re-

covery Jane, the 2-year-old daughter of C. E. Roosevelt, was yesterday run over and seriously, possibly fatally injur-ed, in Walla Walla, by a team driven by Fred Winkler. The child was in Walla Walla with her parents, who went over to attend the funeral of Mrs. Roosevelt's father, William Stine. The accident occurred after the funeral, which was yesterday afternoon. Her father came down to Pendieton on the evening train, knowing nothing about the accident. He returned to Walla Walla this morning in answer to the news of the accident. The child, at the time the accident occurred, was standing near the curb. She was taken to the home of Mr. Stine, and is in a very critical condition. She was badly trampled by the horses. There are hopes of her recovery.

Benefits of Telephone.

M. O. LaHue, of South Cold Springs, was in the city Saturdey. Mr. LaHue has in 480 acres of fine wheat. All the grain in that neigh-borhood looks fine. Mr. LaHue reports that farmers are making rapid progress with their spring work, and that the spring crops and livestock are all in fine condition. There is a good deal of telephone talk in that neighborhood, and the advisability of connecting with the line already built to the northward of that neigh-borhood, or with Pendleton, is being The farmers all recogconsidered. nize the fact that a well conducted rural telephone is a great saver of time, vehicles and horse flesh, and of course of money.

Drive to Mountains.

J. S. Manning and son, who live two miles east of Pilot Rock, will soon drive their 150 head of cattle and 30 head of horses to their mountain ranch in Wood Hollow, southeast of Pilot Rock, in the foothills. They will fence 800 acres of their range in Wood Hollow, beginning the work this week. They were in town Sat-urday and report their livestock in fine condition, and livestock general-ly in that neighborhood as doing finely.

Cement Foundation Begun.

Frank Duprat began today on the laying of the cement foundation for the new Matlock building, at the corner of Garden and Court streets. Mr. Duprat has the contract for laying a cement sidewalk from the Hotel Pen-dleton to Court street and thence westward to Garden, with the excep-tion that Mrs. Miller, of Walla Walla, who owns the Boston Store property. has not yet agreed to the plan.

William Stine Dead.

William Stine, of Walla Walla, cied in that place Friday last, and the funeral was held in that place yesterday. It was attended by a number of people from this city. Mr. Stine was the father of Mrs. C. E. Roose-velt, and had resided in Walla Walla for 25 years.

En Route Via Automobile.

Dr. N. Mollitier, of La Grande, and W. Smith, of Spokane, arrived in town Saturday evening from Spo-kane in an automobile, en route to The auto is an entirely La Grande new one, purchased in Spokane.

Fee Resigns,

P. H. Fee, who has been for a long time one of the night police, has resigned his commission as such, but has not resigned as street commissioner.
