

HERPICIDE

All Ladies like soft, thick, glossy hair

Such as Newbro's Herpicide produces, because they realize that it increases their beauty fully 100 per cent. All ladies who wish to give Newbro's Herpicide a trial will soon become convinced of this fact, because, by destroying the dead germ at work up on the hair root, it makes dandruff, falling hair and thin, brittle hair impossibilities.

Gentlemen find it equally as valuable, for it works like a charm, even up on bald heads.

TOWNS SCOURGED

SHANIKO AND PRINEVILLE SWEEP BY SMALLPOX.

Disease Like Clockwork—Dr. Woods Hutchinson Returns From Visit to Infected District—Stringent Measures Adopted to Prevent Spread of Malady.

Small pox at Shaniko and Prineville has already claimed six victims and of the ten unfortunates suffering in the pest house at the present time two are not expected to recover.

Dr. Woods Hutchinson returned from a visit to the infected districts yesterday, after an absence of 10 days, and reported that the attending physicians believe they have the malady under control. Dr. Hutchinson states that all the patients in both towns have been removed to isolated pest houses and the exposed buildings thoroughly fumigated. All the persons in Prineville who have been vaccinated and are subjected to examination for developments of the disease every day. At the order of the board of health every person in Shaniko has been vaccinated, and all the other necessary precautions have been taken for the prevention of any further spreading of the disease.

laughed at their fears and two weeks later paid the penalty with his life.

William Prose, another stage-driver, contracted the disease at the same time that Morgan was stricken, but in a milder form. This was undoubtedly owing to the fact that he had been vaccinated some years ago and he is now recovering.

The following day J. Summer, a third stage driver, developed a case of smallpox. All these cases appear to have been contracted by either having been exposed to Vasvinder or by using his blankets in the barn.

Trouble Commences at Hotel.

The trouble at the hotel commenced on the 3d. Miss Keeney, a sister of the landlady; Miss Armstrong, a chambermaid; Miss Morrison, a waitress, and Harry Espind, the porter, all developing cases of the disease. The landlord of the hotel had the patients removed to a private house, where they were isolated from every one, and secured nurses to attend and give every possible comfort to the unfortunate subjects.

On April 6 a little girl, the daughter of one of the waitresses in the hotel, Mrs. Bond by name, was also taken to the private residence with a case of smallpox. A strange coincidence in connection with this is the fact that Mr. Bond, the child's father, is one of the dead at Prineville as a result of the disease, while Mrs. Bond's sister is an inmate of the Portland pest house, a subject of the same disease.

Wednesday, April 8, two more cases developed. Two children, a boy and a girl, aged 10 and 11, respectively, developed cases. The boy's name was Moore and he was an employe about a livery stable. The little girl, the boy's sister, was accustomed to playing about the barn with her brother, and climbing in and out of the stables, and both cases are thought to have been contracted from the robes of the stage in which Vasvinder came to Shaniko.

All of these cases undoubtedly originated directly from Vasvinder, all having developed shortly after he reached Shaniko.

Illinois Supreme Court Holds That Lorimer-Durborrow Ballots Shall Be Counted.

Springfield, Ill., April 22.—The supreme court yesterday settled the Lorimer-Durborrow election contest by handing down an opinion in which they hold that the circuit court of Cook county has no jurisdiction in the case, and that the whole matter was in the hands of the election commissioners. The results of the court's opinion will be that the ballots will be counted and the courts of Cook county can make no further order in the case. The supreme court ordered the habeas corpus proceedings against Sheriff Barnett, of Cook county, for the release of the election commissioners, who were cited for contempt of court, dismissed.

Kentucky Medics in Session.

Louisville Ky., April 22.—The Kentucky State Medical Association today opened its forty-eighth annual meeting in this city and will remain in session until Saturday. The attendance is large and representative of every section of the state, while the excellent program arranged indicates that the convention will be one of the best in the history of the association. The sessions are being held in Scottish Rite Temple.

A Great Sensation.

There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from asthma, but your New Discovery gave immediate relief and soon thereafter effected a complete cure." Similar cures of consumption, pneumonia, bronchitis and grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c and \$1. Guaranteed by Tallman & Co., druggists. Trial bottles free.

DISAGREEABLE REFLECTIONS

The mirror never flatters; it tells the truth, no matter how much it may hurt the pride or how humiliating and disagreeable the reflections. A red, rough skin is fatal to beauty, and blackheads, blotches and pimples are ruinous to the complexion, and no wonder such desperate efforts are made to hide these blemishes, and cover over the defects, and some never stop to consider the danger in skin foods, face lotions, soaps, salves and powders, but apply them vigorously and often without regard to consequences, and many complexions are ruined by the chemicals and poisons contained in these cosmetics.

Skin diseases are due to internal causes, to humors and poisons in the blood, and to attempt a cure by external treatment is an endless, hopeless task. Some simple wash or ointment is often beneficial when the skin is much inflamed or itches, but you can't depend upon local remedies for permanent relief, for the blood is continually throwing off impurities which irritate and clog the glands and pores of the skin, and as long as the blood remains unhealthy, just so long will the eruptions last. To effectually and permanently cure skin troubles the blood must be purified and the system thoroughly cleansed and built up, and S. S. S., the well known blood purifier and tonic, is acknowledged superior to all other remedies for this purpose. It is the only guaranteed strictly vegetable blood remedy. It never deranges the system or impairs the digestion like Potash and Arsenic and drugs of this character, but aids in the digestion and assimilation of food and improves the appetite. Being a blood purifier and tonic combined, the humors and poisons are counteracted and the blood made rich and pure, and at the same time the general health and system is rapidly built up and good health is established, and this, after all, is the secret of a smooth, soft skin and beautiful complexion.

If you have any skin trouble send for our free book, "The Skin and Its Diseases." No charge for medical advice. Write us about your case.

Cartersville, Ga., E. R. No. 2. I suffered for a number of years with a severe Itch-Rash. About twelve years ago I started using S. S. S., and after taking three bottles I felt myself cured and have since taken a bottle occasionally, and had little or no trouble along that line. My general health has been better since. I recommend S. S. S. as a good blood medicine and all round tonic. Yours truly, Mrs. E. I. FITTARD.

Some two years ago I suffered a great deal, caused on account of bad blood. Small rash or pimples broke out over my body and kept getting worse day by day for over a year. Seeing S. S. S. advertised in the papers and having heard also it had cured several people in this city, concluded to give it a fair trial. After using the medicine for some time, taking in all six bottles, I was entirely cured.

MRS. HELENA BLAU,

Young Milwaukee Society Woman.

Thousands of women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blau, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

The woman who has suffered from female weakness should do anything within reason to secure health. Wine of Cardui is the medicine that appeals to reasonable women—women who hold operations and cutting in horror—women who know that Nature is the best physician. Wine of Cardui gives women back their health by giving Nature a chance to build up the wasted and diseased tissue. Wine of Cardui regulates the menstrual flow and Nature, when relieved of the drains or of the poisons in the system, makes the functional organs strong and healthy again.

"Wine of Cardui is certainly 'worn out' women's best friend and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

Any woman who is silently suffering untold pains because she is too sensitive to undergo a physician's examination and treatment can find no excuse for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients.

Mrs. C. C. Hendricks, wife of C. C. Hendricks, insurance agent, living at 408 West Court street, says: "When I first heard of Doan's Kidney Pills I had been suffering for over a year with pains in my loins and back and with a weakness of the kidneys, and I therefore decided at once to try the pills. I got a box at the Brock & McComas Co. drug store. Now I don't want to say that they have entirely cured me, for the trouble may return some time in the future, but they entirely relieved the backache and up to this time I have had no return of the trouble. Only the other day I told a lady friend, who is suffering from kidney trouble to try them and have recommended them to others. I shall continue to do so."
