NEWS OF MILTON

IRA BERRY'S SON THROWN FROM HORSE.

Boy Has Been Unconscious Since Wednesday—Little Hopes of His Recovery—Road Supervisor Fixing Road Near the Joe West Bridge.

Milton, Ore., April 25.—Grandma Wallace, who lives about eight miles east of town, had a stroke of paralysis Wednesday morning and is in a serious condition.

Mr. Hastings, a blind music teacher of this city, is under quarantine for smallpox in the south part of town.

Hennie Osborn has the frame of his new house now and almost all angled on the outside. W. E. Pulman has the contract.

The Fleming Brothers' "Passion Play," under the auspices of the Epworth League, given in the opera house last night, was witnessed by a large and appreciative audience.

The little shower last Tuesday evening and night renewed the energy of the farmer and gardener in this vicinity about 100 per cent.

E. H. Green and Polo Beaumont have rented a fruit farm down near the state line and their genial voices and smiling countenances can be heard and seen in that vicinity most of the time from now on.

Road Supervisor Joseph Campbell has a force of men grading and filling in a piece of road near the Joe West bridge, that has been an eyesore to the travelling public for a long time. He wants to grade it high enough to raise the approach of the bridge about two feet.

Ira Berry's son was thrown from a horse last Wednesday morning and in some manner struck on the back of his head, which rendered him unconscious, in which state he has lain ever since, now nearly 48 hours. So far as can be ascertained he received no other injuries. There is little hope of recovery as it is feared the wound is beyond medical aid.

NIP IT IN THE BUD.

First Appearance of Dandruff a Forerunner of Future Baldness.

That such is the case has been conclusively proven by scientific research. Prof. Unna, the noted European skin specialist, declares that dandruff is the burrowed-up cuticle of the scalp, caused by parasites destroying the vitality in the hair-bulb. The hair becomes lifeless, and, in time, falls out. This can be prevented.

Newbro's Herpicide kills this dandruff germ, and restores the hair to its natural softness and abundance.

Herpicide is now used by thousands of people—all satisfied that it is the most wonderful hair preparation on the market today. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. F. W. Schmidt & Co.

NEWS OF ECHO.

Arrangements Being Made for Celebration of the Fourth—Meneley Quartet Gave Good Entertainment.

Echo, Or., April 24.—A meeting is announced for this afternoon at the Arlington hotel of those interested in a Fourth of July celebration here. A subscription list was started yesterday and is being freely signed. We are informed by the chairman of the preliminary committee that they have enough in sight to insure a big celebration. There is talk of a jack rabbit banquet in the near future to be given in the interest of the American Hare Canning and Cold Storage Company.

The Meneley quartet sang here last night. The M. E. church was well filled and the quartet gave a very good entertainment. Mr. Knox is an exceedingly strong impersonator and Miss Ricketts is a delightful mezzo-soprano. Their soft tone harmony is excellent, but they are somewhat deficient in full chorus work.

W. H. Gulliford is just finishing his second dipping of his sheep in which scab appeared some time ago. He thinks this will cure the disease and is preparing to start for summer pasture in a short time.

Wool is coming in at a rapid rate, as high as four teams waiting at a time to unload.

There is considerable demand for laborers here. Joe Vey was in this morning wanting three herders and Mr. Sparger was in the day before, wanting help.
