GREWSOME RELIC.

Bloody Bole of a Moro Criminal is Sent to W. S. Badley by His Nephew.

W. S. Badley has at his place of business on Main street a very grewsome relic from the Philippine Islands in the shape of a native bolo. It was sent to him by his nephew who is a non-commissioned officer stationed at Marong on the island of Cebu, and was taken from a native criminal just after he was thrown in jail for the murder of three native policemen. It is yet covered with the blood of the murdered men.

The blade is 10 1/2 inches long and wavy. By this shape it will give a more ugly wound and at the same time free the knife so that it can be easily withdrawn. The Malay from whom it was taken claimed 20 men had been wounded with the weapon, and of that number three are certain to have met their death by its means. The nephew of the present owner saw one day, several native policemen after a criminal who, when cornered, turned at bay and killed three of the men before he could be overpowered. The knife with its wooden scabbard was sent to Mr. Badley just as it was taken from the murderer.

THE OLD BAND

Was Reorganized Last Night—Will Play at the May Day Exercises—Names of Players.

The old Pendleton band was reorganized last evening and will play for the May day celebration. The personnel of the band as given below, is about the same as it used to be.

The names of the players and their instruments are: Gibson, tuba; Gilliam, Folsom, L. G. Frazier, Jack Robinson, trombones; C. C. Sharp, baritone; Parks, Hayden, J. E. Sharp, alto; Rader, saxophone; Carl Westert, Scott, Hicks, Huston, clarinet; Ralph Folsom, Clint Roosevelt, Win Brown, cornet; Lee Baker, base drum, and C. V. Volth, snare drum.

The band will practice again on Thursday evening, and after the May day celebration it is the intention to again disband. All the members of the band being business men it is an inconvenience to them to give the time necessary for practice. However, there is a very remote possibility of their staying together for the rest of the season.

WORK OF FIRE BUG.

Residence of W. M. Hickey, on East Turner Street, Completely Destroyed by Fire Last Night.

The residence of W. M. Hickey, on East Turner street, was completely destroyed by fire about 9:30 o'clock last night.

The house has been vacant for

some time, but it was Mr. Hickey's intention to move into it on the first of the month.

It was a small four-room residence, valued at about \$700, and was insured for a small amount.

The origin of the fire is unknown, though it is suspected to be incendiary. A local real estate man, who had the house in charge, gave the keys to a prospective renter, and the man visited the premises between 6 and 7 o'clock. At that time everything was all right.

It is reported by a passerby that a man was seen coming from the house later in the evening and shortly before the fire was discovered. Whether that was the firebug or the renter is unknown.

BAKER CITY DRUG CLERK CAPTURES A SWINDLER.

And in Doing So Has an Interesting Time in the Rear of the Establishment.

Baker City, Ore., April 29.—C. W. Hoff, whose real name is supposed to be Hoffman, is in the county jail here on the charge of obtaining money under false pretenses. The officers think he is a clever forger and swindler who has been operating in the Northwest for some time. Sunday afternoon he went to Levinger's drug store and bought a small bill of drugs for which he tendered a check for \$5. He was given \$3.25 in change. The clerk, becoming suspicious, telephoned the bank officials and learned that the check was worthless.

Hoff did not take the drugs when he bought them, but called last night to get them. The clerk, C. S. Blackman, told Hoff the check was not good and he would have to refund the money. Hoff made a dash for the front door, but Blackman headed him off. Hoff then ran for the back door and Blackman caught him in the back room, throwing him to the floor. In his struggle to get up, Hoff kicked the bung out of a barrel of alcohol and Blackman had to hold his hand over the bunghole and hold down his man at the same time. The drug man was exceedingly busy until a policeman arrived and took the swindler to jail.

Hoff had several signed checks on his person when searched. He had also passed one of his checks on Mike Hoff, a saloon man, whom he beat out of \$10. The officers are looking up the man's record and feel sure they have a much-wanted individual. It is certain that he has operated in Sumpter recently.

Charles Konasek Dead.

Charles Konasek, aged 18 years, died today at 12:30 o'clock at his home in this place, of a complication of diseases. Some weeks ago he was ill with typhoid fever, but recovered. Afterward he developed symptoms of Bright's disease, but apparently recovered. Saturday he returned home from Baker City, but did not develop alarming symptoms until last night, when he sank into a stupor. This morning he was attacked with spasms, from which he did not rally. During his last illness—since Saturday last—his kidneys and stomach have indicated acute derangement. The deceased was born and reared in Pendleton. A few weeks ago he took charge of the Portland Telegram's circulation business from Pendleton to Huntington. It was while in Baker City on this business that he was taken very ill Saturday last and returned home. The funeral will be Friday forenoon from the Catholic church, conducted by Father Neate, and the interment will be in the Catholic cemetery.

Most Successful Trip.

Fred Nolf has returned from a trip to Chicago in the interests of his store. He reports the most successful trip he has ever made. While there Mr. Nolf met the importers of foreign novelties and was thus enabled to secure goods which otherwise would not have reached Pendleton for a couple of years. He purchased a full line of up-to-date goods for his holiday trade. In spite of the good trip, Mr. Nolf is glad to get back to Pendleton.

To Vote Again.

Advocates of the late bond proposition are not slow to declare that the city will have an opportunity to vote again—perhaps twice, should a third proposition be turned down—upon other propositions yet this summer. They intimate very strongly that the fight is now well under way.

In Police Court.

William Jones, one plain drunk, was fined \$5 in Judge Fitz Gerald's court this morning. He paid his fine and departed.

Condon-O'Connell Wedding. Washington, D. C., April 29.—A wedding today that attracted many officers of the army and a large quota of fashionable society folk was that of Miss Fanchon O'Connell, daughter of the Solicitor of the Treasury and Mrs. Maurice D. O'Connell, and Lieutenant C. M. Condon, U. S. A. The ceremony was performed at the home of the bride's parents in O street and was followed by a large reception.

To Rejoin Giron.

Berlin, April 29.—The Austrian and Saxon courts, it is stated in today's Allgemeine, have information that Princess Louise intends to rejoin Giron after the birth of her child, which is expected daily. The princess left him some weeks ago and entered a sanitarium. It was then stated that she would make overtures to her family toward reconciliation.

WILL PLAY COLFAX

FIRST GAME OF THE SEASON TOMORROW.

Pendleton Has Decided to Enter the League and Will Have a Team in the Field for First Place.

The baseball enthusiasts of the city are jubilant in general, and Manager Boettcher and Leon Cohen in particular are radiant with happiness and success, for the team is at last assured and the majority of the players are signed. It took some hustling to get the money raised and some tall hustling at that, but at last he committee succeeded in gathering together about \$1,500 dollars and the suspense was broken and once more the fans breathed freely.

At the meeting last Saturday all hope was given up and all league funds held by Mr. Boettcher was returned to the official at La Grande. When the other members of the action Pendleton had taken a mighty howl went up for everyone of the members wanted to take a fall out of the local team for what it had done to them in the past. They wanted to play and they wanted revenge. Now they can have it if they want it and all they want. Before the season is over they will get ample satisfaction, so the local fans hope, for the team will be a winner and a sure thing for our money and a balm for our pride.

Six of the men are now signed and are ready for the fray when it begins tomorrow. The rest of the players will be on hand by the time they are needed. The men signed so far are from North Yakima. Two of them, Taylor and Cox, are of last year's winning team. The others are men well known to the baseball world; they are Dunn, Nagle, Court and Shorter.

The season will open tomorrow, April 30, with the first of a series of three games between Colfax and Pendleton at the local field. On the next day, which is May Day, there will be a game and also on Saturday.

The succeeding games will be announced in due time. Now that the league matter is settled, all Pendleton will turn out and give the team its hearty support, both financially and by voice at the games. In the past Pendleton has put on a winning game of ball and it is the intention to do so again. If the team has the hearty support of the community in every way, the management will do the rest.
