### BARLOW MINSTRELS.

One Night Only, at the Frazer Wednesday, May 6.

Walter Wilson, known to all through the popularity of his song hit, "Aint Dat a Shame," is entertaining in his inimitable style, the patrons of the great Barlow Minstrels this season. His latest compositions, "Use Gwine to Leave," and "Habits Dat I Nebber Had," are even more popular than his former efforts, and taken in connection with his eccentric buck and wing dancing in the specialty of Wilson & Strong, gives to the lovers of black-face comedy a laughing and musical treat and one which should place this popular young comedian and song writer in the front ranks of minstrelsy in the near future. At the Frazer Wednesday, May 6.

### "California."

A capable company of players presented J. Rush Bronson's latest melodrama, "California," at Henck's opera house yesterday afternoon and evening to large and apparently well-pleased audiences. The play is handsomely mounted and gives some very clever people an opportunity to display their unmistakable talents. The play deals with a Spanish love story which abounds in climaxes of interest. The action is positive and smooth, and with the ability of the cast affords an entertainment which takes its place among the foremost melodramatic productions of the day. Conspicuous in the cast is Miss Rae Bronson, a bright, handsome and gifted young woman. The scenery and general equipment of the company is first-class and the play one of the best of its type that has been seen in Cincinnati.—Cincinnati Tribune. "California" will be seen at the Frazer Tuesday, May 5.

## DO YOU GET UP WITH A LAME BACK?

### Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
