Cattle Eat Poison Weed and Die From the Effect-Large Per Cent of Lambs Reported From the Sheep Owners.

Nye, is said to have run over his youngest son a few days ago with a grain roller. The little lad, who is about 5 or 6 years old, was riding with his father, when he attempted to leap off backwards, and balances over and fell in front instead. The roller passed over him before the team could be checked, but did not kill him, which was a miracle. At last accounts he was feeling pretty rocky. George Latimer and family, of John Day, were visitors of his parents

near Nye a few days ago. Henry Schmidt, of Coombs Canyon. was here transacting business a few days ago. Mr. Schmidt is complain ing of a bad attack of rheumatism, and reports Mrs. Schmidt in very poor health. He also reports the loss of some cattle during the winter.

Mrs. Ed Howard, of Alba, who has been visiting with her sister. Mrs Thomas Reeves, of Nye, last week has returned home.

H. W. Whittaker, also moved part of his cattle out with the Linsners. Sixty-five head of their cattle got away and came back home, but they found about 55 and drove them back this week.

C. H. Horseman, who has been stopping in this part, returned to his home at Gurdane Saturday.

Schmidt and Viebrock are reported to have moved their cattle from Coombs Canyon to their farm near

Alba, a few days ago.
Fred Martin, of Ukiah, passed through here this week with his cattle, which he has been wintering in strawfields and recruiting on the Columbia river ranges.

Sam Jenkins, of Nye, is reported to have rented a section of farm land

near Pilot Rock and moved thereon last week. Miss Susie Robertson is staying in the vicinity of Pilot Rock at present.

Jessie Payne is said to be visiting his uncle Wesley Harala, in Washing-

ms uncle westey Hatala, it was uncle ton, at present.

Mrs. Taylor, who has been visiting in this part this winter, has returned to her old home in Portland.

H. R. McBroom, of Gurdane, has an attack of sciatic rheumatism at

present, but is somewhat improved.

L. A. Linsner reports hearing of 10 head of cattle dead on Texas Bar, a short time ago supposed to have eaten poison weeds or something of that nature.

Charles Taylor, who has been living in this part this spring, is reported to have returned to the vicinity of Pendleton today. Justice Alex Manning and his mother, Mrs. Sarah Manning, of Pilot Rock, were transacting business in

this and Gurdane vicinities this week. Mrs. Manning has a homestead in the latter vicinity. Mr. Manning says he is going out to Dale in about two weeks, to run a store for John Sylvester, in that place.

Lambing is about over in this part and as a general report there is go-ing to be a good per cent this time. M. E. Sturdivant, the stage man, reports fine roads in Snipe and Camas valleys.

Everyone is preparing and planting their gardens at present. Charles Cunningham took two bands of sheep to his mountain ranch

this week James Davis, of Alba, was dorns business in this part a few days ago IN THE GOOD OLD

FASHIONED DAYS. Powdered Wigs Formed an Important Adjunct to a Gentleman's Apparel. It is safe to say that the majority of baid men of today would gladly re-vive the old, dignified custom if they could. But they can do the next best thing to it: that is, to revive the thing to it: that is, to revive the growth of the hair nature gave them. In cases where the hair root or hair builb has not been completely destroyed by parasites that infest it. Newbro's Herpicide will do wonders in the way of stimulating the growth of lifeless and falling hair. Destroy the cause you remove the effect. That is the successful mission of Herpicide. the successful mission of Herpicide.

Contain Mercury.

As mercury will surely destroy the sense of smen and completely derrange the whole system when entering it through the mucuus surfaces. Such articles should never be used except on prescriptions from repurable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hai's Catarric Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercary, and is taken internally acting directly upon the blood and mucous surfaces of the system.
