SO DIFFERENT.

Lots of Claims Like This But so Different—Local Proof is What Pendleton People Want.

There are a great many of them. Every paper has its share. Statements hard to believe, harder to prove.

What people say in Florida. Public expressions from California. Oftimes good indorsement there. But of little service here at home.

Pendleton people want local proof. The sayings of neighbors, friends and citizens.

Home indorsement counts. It disarms the skeptic; is beyond dispute.

This is the backing that stands behind every box of Doan's Kidney Pills. Here is a case of it:

S. B. Baldwin, retired, of 709 Thompson street, Pendleton Ore., says: "When I saw Doan's Kidney Pills advertised, I desired to try them and got a box at the Brock & McComas Co. drug store. They did me a world of good. My kidneys had bothered me off and on for 35 years, always more severely after I had caught cold. There was not much backache, but I was annoyed with a weakness of the kidneys which disturbed my rest several times each night. I got Doan's Kidney Pills at Brock & McComas' drug store, and used seven boxes in all. They corrected the function of the kidneys and strengthened my back as well."

Fore sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—DOAN'S—and take no other.
