Old Soldiers of Indiana in State Convention.

Anderson, Ind., May 12.—Fifteen thousand visitors were in this city today when the annual state encampment of the G. A. R. opened. These visitors include the delegates to the Ladies' Aid Society, the Woman's Relief Corps, and the Ladies of the G. A. R., all of which organizations are holding their respective annual meetings here at this time.

The main feature of the day's program was the parade and grand review. Fully 3000 persons were in line. The parade was concluded at the Anderson Hotel, where the uniformed bodies passed in review before Governor Durbin and staff, Department Commander Starr, Mayor Forkner and other persons of note. A number of meetings and reunions were held during the day by the various regiments, companies and the different affiliated bodies. This evening there is to be a civic parade for which preparations have been made on a most extensive scale.

STRONG TESTIMONY.

This is Pendleton Testimony and Will Stand Investigation.

If you should doubt the following and wish to investigate, you haven't to go to some other state in the union to prove it. It's not a long story published in Pendleton newspapers about a resident in Kalamazoo, Mich., or Tampa, Fla. It's about a resident of Pendleton and given in his own words. No stronger proof can be had.

H. A. Thompson, retired, who lives on Stonewall Jackson street, says: "My kidneys troubled me by spells for 10 years and at such times with a steady dull aching across my back. I used large quantities of various kinds of medicines said to be good for it, but they never benefited me enough so that I could notice it. Finally I got a box of Doan's Kidney Pills at the Brock & McComas Co. drug store and I found them to be just what I needed. They went right to the spot and not only relieved my backache, but cured it permanently. I will be only too pleased to tell others about the merits of this remedy."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
