Today I offer the following city and country property: \$20 per acre for choice 160-acre farm

about one mile from city limits, new house.

\$19,000 for 600 acres, part bottom, im-proved; 350 acres in wheat, 5 acres fine orchard; 10 minutes out.

\$10,000-320 acres of first-class wheat land, improved; crop goes with place; only two miles out. -a new house and lot in bot-

tom \$150 and up for lots on south side.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours ; a sediment or set

unhealthy con-dition of the kid-neys: if it stains your linen it is evidence of kidevidence of kid-ney trouble; too frequent desire to pass it or pain in the back is and bladder are out of order. What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of hiquor, wine or beer, and overcomes that unpleasant ne-cessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most dis-tressing cases. If you need a medicine you should have the best. Sold by drug-gists in fifty-cent and one-dollar sizes. You may have a sample bottle and a

you may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Bing-hamton, N. Y. When writing mantion this means and for the writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

# Monetary Delegates Abroad.

### Nice Junket Trip for Commission at Expense of the People.

M. E. church, South Mrs. J. T. McRae, of Walla Walla, was here Saturday visiting her par-ents, Mr. and Mrs. J. E. McQuary. Mr. and Mrs. C. E. Berry and Wal-ter Morris left for Portland Saturday. Mr. Berry and Mr. Morris are dele New York, May 19.-Messrs, Hanna, Jenks and Conant, who will represent sent the United States at the Interna-tional Monetary Commission, sail for London today. While en route the commissioners will map out a degates to the grand lodge I. O. O. F., and Mrs. Berry is a delegate to the Rebekah grand lodge. They will retalled program for the work which takes them to Europe. After a stay in London, the commission will visit Paris, Berlin, St. Petersburg and The Mesars, G. A. Cowl, J. L. Campbell and C. W. Steen returned late Sunday Hague, where conferences will be held with the officials who have to do with the colonial possessions of the several governments.

"The object of the commission," said one of the commissioners prior to the departure today, "is to bring about stability in the cost of bold bills bring of exchange. The present uncertain conditions leave the cost of merchandise and speculation one of great risk, not only of future to make profit, but indeed, of loss. To estab-lish stability would promote confi-dence on the part of importers in silver countries in the purchase of the products of the labor of enlightened nations.

great and important one, and as diffi-cult as it is important. Any measure of success warrants the effort that our government is now making in W. S. Mayberry is up today from reference to the appeal of China and the Hudson Bay neighborhood, where he is building a large barn for Mr. C.

## MILITARY SURGEONS MEET.

Foreign Countries All Have Veterans

Boston, Mass., May 19 .- Nearly 100 military surgeons of this and other countries, most of the surgeon barrest and past middle age, men of great dignity of mien, many with decora-tions upon their coats that tell of servgathered this morning at the Vendome Hotel and began the annual meeting of the Association of Military Sur-geons of the United States. The army and navy of the United States and the medical departments of the state

OFFICE FORCE OF PILOT ROCK RECORD ENLARGED.

MCMANUS'

Call for One Specimen of the Prairie Wolf Resulted in Enough to Start a Menagerie-Drastic Remarks on

Pendleton Journalism. Bert Miller has returned home after two months spent in the employ of the Rugg Bros, during lambing, says the Pilot Rock Record. Bert is a faithful worker at whatever he undertakes, and is a young man of exem-plary habits.

He will probably soon join the Rec ord force, which at present consists or a useful old man, who exercises the prerogative of a boss, a 9-year-old "devil" and a 5-weeks-old coyote.

The coyote was presented to the The coyote was presented to the Record by Frank Michaels, who is an extensive farmer on Little McKay creek. He will be educated to how for the Record. While he was primarily obtained for the purpose of studying the nature and characteris-ties of this very much despised creat he has become a highly-prized ure. pet. While only about dire weeks old, it has been discovered that he has teeth, and knows how to use them. He is fond of sweet milk, will eat

tenderloin steaks, and is very human in his preference for chicken. He in his preference for chicken. He seems to know that the cayna brinty law has been repealed, as otherwise his little pelt would now be daugling from a high place in the county clerk's office, and his actions indicate that he profers captivity to death

It is believed he will prove a howl-ing success as a drawing card for the Record. His first attempt at being ugly, after his arrival to the Record office, very nearly resulted in his death. In a moment of forgetfulness the writer struck him over the head with a Pendleton daily paper, in which there was a heavy editorial on an abstruse subject and several columns of "plate" matter and the little fellow thought his day of judgment had He has been extremely docile come. since

### Howell's Stamp of Approval.

One of the most modest men is the dean of American letters, William D. Howells. When approached by the struggling author or the reporter, he does not play the grandee, but rather indulges in pleasant reminiscences. A writer asked him recently what

particular bit of praise had inspired him the most, and he said:

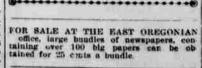

"It was just a chance remark made in an out-of-the-way place, when I in an out-of-the-way place, when I thought myself an out-of-the-way and very much-hidden person. It was years ago, when life was harder than it is now. I was in a Canadian hotel, roaming about the place, not knowing what to do. So I went to the desi-and conned the names on the regis-ter. Another man with a friend evi-dently felt the same way I did, for they peeped over my shoulder. One said to the other: "Say I guess this place is all right

"Say, I guess this place is all right. Howells is here!"

"This was the first time I had ever heard myself spoken of by strangers. It gave me a peculiar kind of encour-agement, different from any sort of a sensation I have ever felt since."— New York Times.

Little Use for City Marshal. Owing to the small salary paid City Marshal Stone, he is allowed to work Marshal Sione, he is allowed to work at whatever he can get to do, which calls him frequently from the business part of the city, and in consequence it has been decided that whenever his services are required that he shall be notified by a single tap or two of the curfew bell.—r not Rock Record.
