Beware of Ointments for Catarrh That

Contain Mercury.

As mercury will surely destroy the sense of smen and completely decrange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the ganuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonius free.

Sold by druggists, price 75c per bottle. Hall's Family Fills are the best. Contain Mercury.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousery for Consumption is a sure cure for all lung and throat troubles. Thous-ands can testify to that. Mrs. C. B. Van Metre of Shepherdtown, W. Va., says: "I had a severe case of bron-chitis and for a year tried everything i heard of, but got no relief. One bot-tle of Dr. King, Now Discovers than tle of Dr. King's New Discovery then cured me absolutely." It's infallible for croup, whooping cough, grip, pneu-monia and consumption. Try it.
