BOY BAND CONCERT

FIRST PUBLIC PERFORMANCE
HIGHLY SUCCESSFUL.

Program interspersed With Recitations and Vocal Solos That Added Much Interest—The Members Give Promise of Excellent Future Results.

A small but appreciative audience greeted the appearance of McLyman's Boys' Band, at the Frazer last evening, when they gave their initial performance before the public as a concert band. The work was all that could be expected of so young a body of musicians, and while the instrumentation was in places and at times somewhat ragged, it was the result of inexperience rather than of negligence. For so young a lot of performers the work was excellent.

Thomas Castle gave the audience a vocal solo and responded to an encore with the touching ballad, "A Soldier Boy." Mr. Castle possesses a voice of much sweetness, and with training would make an accomplished tenor.

Much to the pleasure of the audience, Miss Agnes Dunbar recited "Down on the Rio Grande." And the old Texan story of love and self sacrifice lost nothing of its fire and force in her telling. She responded to an encore with the bright little piece entitled "Tommy," a tale of a bad young brother and his fall. Her rendition of a child's part was very natural.

The eighth number on the program was a saxophone solo by M. A. Rader, embracing a medley of popular Kentucky airs. The number was warmly received by the audience.

Mr. McLyman is to be congratulated in the success of his concert, and Pendleton will in the near future have a band of young men who can furnish finished music on any occasion.

The program as rendered, is printed below:

- March—"Island City".....L. P. Loureideau
- Overture Impromptu.....C. W. Dalby
- Vocal Solo—Selection.....Thomas Castle
- Waltz—"Sparkling Waves".....L. P. Loureideau
- Polka—"Massa's Birthday".....L. P. Loureideau
- Selection.....Miss Agnes Dunbar
- Overture—Barquott.....L. P. Loureideau
- Saxophone Solo—Popular Kentucky medley, by M. A. Rader, introducing "She Was Bred in Old Kentucky," "Why Don't You Get a Lady of Your Own," "There's a Little Star Shining for You," "My Girl's a Hawaiian Maiden," "He's Up Against the Real Thing Now" and "Oh, Ebenezer."
- Waltz—"Pretty Mollie Shannon".....W. H. Mackio
- Overture.....W. H. Mackio

Large Land Deal.

One of the largest land and stock deals consummated in this county for several years has been made, William Hanley buying the entire interests of A. W. Riley. The trade includes some 13,000 acres of land, commonly known as the Double O ranch, and several thousand cattle, together with the farming implements horses and other ranch paraphernalia. We understand that the deal was made some time ago, but as yet the transfer has not been made, although the details have all been arranged and consideration satisfactory.—Burns Herald.

HAND SEVERELY CUT.

Accident Caused by a Slamming Door During High Wind.

C. E. Gritman suffered a painful accident at his place of business on Main street yesterday afternoon, as a result of the high wind.

The door leading from the front of his store to the card room at the rear started to blow shut and Mr. Gritman put out his hand to stop it from slamming. In doing so, he thrust his hand against the glass and it broke cutting a deep gash across the wrist. The wound was dressed and is doing nicely, but it will be quite a while before Mr. Gritman can again use his hand.

Will Organize a New Band.

Sixteen of Pendleton's young musicians will meet at Weissert's business shop, on Court street, this evening, to perfect the organization of the Pendleton Cornet Band. There are at least 16 cornetists in the city, and it is hoped to organize a good band.

It is officially reported at the general assembly of the Presbyterian church now in session at Los Angeles, that 220 of the 210 Presbyteries in the United States have voted for creed revision.

WHOLESALE GROCERY COMPANY.

Plan of Operation of the Firm Which Will Occupy the Ferguson-Maloney Building.

J. B. Despain has just returned from a trip in the Susanville country, where he has been in the interest of the Consumers' Wholesale Grocery depot, which he will install in the Ferguson-Maloney building as soon as it is completed.

On his trip Mr. Despain sold two car loads of case goods to the large ranchmen and farmers of that section.

The plan of the new house is a novel one. It will send men into the country to the big farmers, stockmen and mining settlements to solicit their trade. The goods will be sold in large amounts directly to the consumer. The men in the field will take the orders and on their return to the headquarters at Pendleton send for the goods to the wholesale houses in Portland or the East. The goods will be shipped by them to Pendleton for delivery to the consumers direct.

The whole country tributary to Pendleton will be brought into the field of the company's operations. Such a system, Mr. Despain hopes, will prove a great convenience to the large consumers of the inland country.

A PROGRESSIVE INSTITUTION.

Quality of Work at Domestic Laundry Far Above the Average.

Fernandez Gaynor, an expert laundryman, has just paid a visit to the Domestic Laundry. Mr. Gaynor, in speaking of the laundry business, says: "I have been engaged in the laundry business for the past 35 years, during which time I have visited over 800 laundries in the United States and the old country. In my opinion, machinery is not all that is necessary to do first-class work—there must be intelligence of high order on the part of the operators to obtain the best results. I can say for your city here that you have a laundry far above the average for the size of the city. The proprietor is progressive and up-to-date and always on the lookout for any improvements that can be made. It would be very hard to suggest any improvement that would add to the quality of work done here, especially the shirts, collars and cuffs, which are almost perfect in color and finish. While the linen department can not be improved upon."

There are at present about 30 employees, with an average payroll of \$225 per week, which shows that the citizens of Pendleton appreciate this up-to-date institution by giving it their liberal patronage.

FALLING HAIR STOPPED.

Baldness Cured by Destroying the Parasite Germ That Causes It.

Baldness follows falling hair, falling hair follows dandruff; and dandruff is the result of a germ digging its way into the scalp to the root of the hair where it saps the vitality of the hair. To destroy that germ is to prevent as well as cure dandruff, falling hair, and, lastly, baldness. There is only one preparation known to do that, Newbro's Herpicide, an entirely new, scientific discovery. Wherever it has been tried it has proven wonderfully successful. It can't be otherwise, because it utterly destroys the dandruff germ. "You destroy the cause, you remove the effect." Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

Work Begun on Two New Residences.

Work was commenced this morning on the \$-900 house of W. M. McCormach, on Washington street, across the river.

E. C. Smith has also begun the construction of his \$1500 cottage on Bush street. C. E. Troutman has charge of both buildings.

After Timber Lands.

W. Finn, of Hibbing, Minn., and A. F. Olson, of Deer River, have been in Pendleton and vicinity for several days looking over the timber situation. They left this morning for Portland and Roseburg.

LARGE NEW BUSINESS HOUSE.

Main Street to Have a Two-Story, Seventy-five Foot Brick Front.

Pendleton is to have, before fall, another two-story brick on Main street. The 75-foot frontage on Main and Alta, owned by Joe Basler and John Schmidt, will be cleared of the old wooden shacks now standing there and a modern building in every particular will be erected in their place.

Mr. Basler owns to lots, one behind the other, at that place, and intends to build on both of them. The front lot is 50x100 feet and the rear one 25x100 feet. On the front lot there will be erected a two-story brick. The upper floor will be used as a rooming house, and will be made as convenient as is possible. This entire space is already spoken for and will be occupied as soon as completed. Twenty-five feet of the lower floor is engaged by a firm who will put in a store there.

On the rear lot Mr. Basler will build a shop of some kind.

It is the intention of Mr. Schmidt to build the best building in Pendleton on his 25 feet of frontage. The building will be modern in every respect and will have an entire steel and nickel-plated front. No wood will be used in the construction of the building, where iron and steel can be employed.

Mr. Basler has been offered \$11,000 for his two lots by parties who wish to buy and build, but unless the parties raise their purchasing price he will not sell. In any case, the buildings are assured and work will be started upon them in the near future.

WILL CLOSE MAY 25.

Several Stores Will Give Their Employees Opportunity to See the President.

The Boston Store, the Peoples Warehouse and the store of Lee Teutsch will close at noon on Monday, May 25, in order to allow the proprietors and their employees to go to Walla Walla on the excursion to see President Roosevelt and party at that place.

Several other stores were interviewed on the subject, but the proprietors were not decided on the question at this time. It may be possible that most of the dry goods stores in the city will close on Monday afternoon.

MRS. HAMBLEN HONORED.

Is Elected Head Marshal at Convention of Royal Neighbors.

A letter from the Indianapolis convention of the Royal Neighbors, states that Mrs. Ida Hamblen, of Pendleton, was elected head marshal of that order.

This is the fourth time Mrs. Hamblen has been honored by the society. First on the advisory committee, outer sentinel, inner sentinel and now head marshal.

The members of the order in Pendleton will be pleased to learn that any white woman may now join the order, where formerly only relatives of the Modern Woodmen could join.

To Colorado for a Visit.

Mrs. Mary Holbrook left this morning for Anderson, Col., where she will make an extended visit with her daughter. Mrs. Holbrook has been the guest of her son, W. S. Holbrook, of this city, for some time past, and has been in attendance on the camp meeting in Byers' grove.

Clerks to Reorganize.

The clerks of the city will meet this evening at Painters' assembly hall to effect a reorganization of their union.

County Clerk W. D. Chamberlain was in Athena today on a private business trip. He returned on the freight train this afternoon.

Divorce Suit Begun.

A divorce suit was filed today by L. A. Esteb, of La Grande, in the case of Elma Ward vs. R. E. Ward. The plaintiff alleges cruel and inhuman treatment on the part of the defendant, and prays for absolute separation.

Plaintiff Appeals Commission Suit.

The case of Earnhart vs. Kennedy, a civil suit brought by Earnhart to recover 5 per cent commission on a real estate deal for \$1,000, alleged to have been made by him at the behest of Kennedy, was decided for the defendant this afternoon by Judge Fitz Gerald. The attorney for the plaintiff, H. E. Collier, gave notice of an appeal.

One Police Court Case.

John Williams appeared before Judge Fitz Gerald today and paid a fine of \$10 for being drunk on Saturday last. He was very contrite and considered the fine a good lesson, saying he had not drank for a year past, and that a little led him to too much.

Adjudged Insane.

Mrs. Nettie Carmichael was yesterday adjudged insane by Judge Hartman and Dr. McFaul and was taken to the asylum this morning by Deputy Sheriff Davis and an assistant.

Mrs. Nora Rose has returned from a visit with relatives at Medford and Jacksonville, in Southern Oregon.

Misses Minnie and Myrtle Houser left this morning for Portland for an extended visit with friends.
