Auto Tourists Delayed.

F. E. At Lyons Ferry, on Snake river, the car was unable to climb the steep hill and a span of horses was used to drag the machine out of the sand belt.

CONFEDERATE REUNION.

Memorial Services in Honor of Jefferson Davis and the Daughters of the Confederacy.

New Orleans, La., May 20.—The second day of the annual reunion of the United Confederate Veterans was given over almost entirely to routine business relating to the affairs of the association. Reports were presented and discussed, committees appointed to look after various projects in which the veterans are interested, and during the forenoon and afternoon sessions the delegates listened to stirring addresses delivered by several speakers of note.

Promptly at noon, in pursuance of a custom long since established by the association, all business was suspended and an hour was devoted to a memorial service in memory and in honor of Jefferson Davis and the Daughters of the Confederacy. During the day there were also well-attended meetings by the Sons of Veterans and the other organizations affiliated with the parent body. Luncheons and drives were numerous for the visiting ladies and so perfect were the arrangements of the entertainment committee that no one was allowed to find the time hang heavily on his hands. Tonight witnesses another of the elaborate entertainment features, this time a grand ball given by the Sons of Veterans, complimentary to the sponsors and maids of the reunion.

Another rebellion in Colombia is expected.
