King Edward in Poor Health. Liverpool, May 21.—The Post to-day published a story from a member of the king's household, that King Ed-ward's health is very unsatisfactory and that possibly another operation will be necessary. Nothing will keep the sovereign quiet, and his physique is not sufficiently solvest to stand the is not sufficiently robust to stand the strain. He fel asleep twice while be-ing received and while seated beside ing received and while seated beside the queen in Italy. At Edinburg, dur-ing court at Holyrood, he went sound to sleep. PACIFIC RATE I

COMPANY FINANCED BY CHINESE BEGAN FIGHT.

Charters Are Being Signed for Un-precedentedly Lew Freight Rates From the United States and British

Columbia to Asiatic Porta.

Portland, May 22.—The rate war in Trans-Pacific trade is actually on, the first gun being fired yesterday by the China Commercial Steamship Company, which made a rate of \$4 per ton on a lot of 1000 tons of flour from San Francisco for Hong Kong. The news was promptly wired to this city, as well as to Seattle, Tacoma and Vancouver, where it is probable that similar cuts will be made, although the local officials of the Portland & Asiatic line state that they have not yet decided on a course of action. The Pacific Mail was prompt to take up the gauntlet thrown down by the Chinese company, and an Associated Press dispatch from San Francisco reads as follows;

Pacific Mail Stands Pat. Columbia to Asiatic Ports.

Pacific Mail Stands Pat.

"San Francisco, May 20.—When the big liner Siberia, of the Pacific Mail Steamship Company, sails from this port for the Orient on her next trip, she will carry freight at a cheaper rate than ever before.

rate than ever before.

"The appearance of a new competing trans-oceanic line is the cause of this most recent move by the Pacific Mail people. It is evidently their purpose to begin discouraging the competing line before it gets fairly started. The agent of the Pacific Mail Company has announced, unofficially, that rates would be so cut that a ton of freight could be shipped to the Orient for \$4. By carrying the freight at this rate it is hoped that the new rival company, the China Commercial Steamship Company, will be unable to compete. The new company will have three new steamers of 5000 tons each built expressly for them in England. The company is financed entirely by Chinese."

PRESBYTERIANS GATHERING.

Seven Hundred Commissioners and Thousands of Visitors Present.

Los Angeles, Cal., May 20.—During the last 48 hours commissioners to the General Assembly of the Presby-terian church, which convenes in Emmanuel church tomorrow morning have been coming in, and at noon to-day nearly all of those who will at-tend are in the city. Many delegates from the East came in oy special trains. Every arrangement for the comfort of the 700 commissioners and the numerous other visitors has been completed, and the spacious auditorium of the great church which commands the admiration of all, is ready for the moderator to take his seat and deliver the opening sermon.

The gathering will be a cosmopoli-tan assemblage, for full-bloded Indians will sit side by side with missionaries from Africa, India, Mexico, Siam, China and the South American republics, and the blackest of the colored race from the South wal fraternize with the leaders of religious thought in the North. About one-third of the delegates are guests of hospitable res-idents of the city, while the remain-der are quartered in the leading ho

The reports of a score or more of committees are to be presented to the assembly, and the members of these assembly, and the members of these are hard at work today completing their labors. This evening there will be a general assembly prayer meeting as a preliminary to the convention proper. The choice of a moderator is still a matter of speculation, though the contest does not appear to be so spirited as some of those in former

Among those already on the field are Rev. Henry Van Dyke, D. D., of Princeton, the retiring moderator; Rev. Dr. Robert F. Coyle, of Denver. who is the leading candidate for mod-erator; W. C. Mateer, a returned mis-sionary from China, whose name is also mentioned in connection with the election of a moderator; Rev. Dr. William H. Roberts, of Philadelphia. stated clerk, and Rev. Edward B. Hodge, of Philadelphia, the corres-

ponding secretary.

An interesting feature of the gath ering will be the reading of the reports of the presbyteries on the subject of the revision of the creed. The presbyteries have voted to approve the action of the assembly on re-vision, so that the reading of the result will be merely perfunctory. There is a possibility of some one introducing a resolution touching the subject before the report is made, which would bring the question on the floor for discussion, but the general opinion is that it will be passed by quietly. A large delegation from Cleveland, headed by Lewis H. Sev-erance, is on hand in an endeavor to have that city chosen as the next meeting place of the assembly.
