# MONSTER NUGGET

GRANT COUNTY MAN FINDS \$3,000 PRIZE.

Says He Uncovered the Rich Find at  
Head of Old Spanish Gulch Digging  
Mined 36 Years Ago.

J. R. Peters, who brought to Baker  
City the \$3000 quartz gold nugget on  
exhibition at the Citizen's National  
Bank, was a caller at the Democrat  
office yesterday, says the Baker City  
Democrat.

According to the statement of Mr.  
Peters, who is interested in the claims  
and who is manager of operations on  
the John Day, the nugget was found  
at the head of the old Spanish gulch  
placers 52 miles down the river from  
John Day city. The claims are owned  
by Robert Hines and C. W. Brown  
and are located three and one-half  
miles from the John Day river.

The nugget was piped off the top of  
a ledge running across the head of  
Spanish gulch and above the old plac-  
er workings, and which is exposed 800  
feet in length. The ledge is developed  
by a cross-cut 60 feet, showing the  
vein to be about two and one-half  
feet in width at a depth of 25 feet. A  
shaft 23 feet deep shows a three-foot  
ledge.

Mr. Peters further stated that the  
piece brought to Baker City is only a  
small part of the gold that has been  
taken out. He says there is at the  
mine over 800 pounds of quartz gold  
in pieces ranging from 300 pounds in  
weight to one pound that are richer  
in gold than the piece brought to this  
city.

Mr. Peters is on his way to Salt  
Lake City on business connected with  
his mining interests and may take  
with him the specimens of Spanish  
gulch riches that Baker City people  
have feasted their eyes on the past  
day or so.

Spanish gulch, in Grant county, was  
the scene of lively placer mining in  
1862-63 and for many years thereafter  
considerable gold was taken out.

"He loves his home, doesn't he?"  
"Why, yes. It is almost as sacred  
to him as his club."—Life.

### Beware of Ointments for Catarrh That Contain Mercury.

As mercury will surely destroy the sense  
of men and completely derange the whole  
system when entering it through the mu-  
cous surfaces. Such articles should never  
be used except on prescriptions from re-  
putable physicians, as the damage they will  
do is ten fold to the good you can  
possibly derive from them. Hall's Catarrh  
Cure, manufactured by F. J. Cheney & Co.,  
Toledo, O., contains no mercury, and is  
taken internally acting directly upon the  
blood and mucous surfaces of the system.  
In buying Hall's Catarrh Cure be sure you  
get the genuine. It is taken internally  
and made in Toledo, Ohio, by F. J. Cheney  
& Co., Testimonials free. Price 75c per bottle.  
Sold by druggists, price 75c per bottle.  
Hall's Paraffine Pills are the best.

### A Sure Thing.

It is said that nothing is sure except  
death and taxes, but that is not alto-  
gether true. Dr. King's New Discovery  
for Consumption is a sure cure for  
all lung and throat troubles. Thou-  
sands can testify to that. Mrs. C. B.  
Van Metre, of Shepherdstown, W. Va.,  
says: "I had a severe case of bron-  
chitis and for a year tried everything  
I heard of, but got no relief. One bot-  
tle of Dr. King's New Discovery then  
cured me absolutely." It's infallible  
cure for croup, whooping cough, grip, pneu-  
monia and consumption. Try it. It's  
guaranteed by Tallman & Co., drug-  
gists. Trial bottle free. Regular  
sizes 50c, \$1.
