A SPEED CONTEST

SUNDAY'S DRIVING MEET
A GREAT SUCCESS.

Four Very Interesting Events Display Some Fine Horses—Fast Time Made for Untrained Horses—Track and Weather in Perfect Condition.

The Pendleton Driving Association gave the first of their series of summer meets yesterday afternoon on the Simpson-Perringer track. A good-sized crowd of horse fanciers were present to view the races and the meet was a decided success.

Four events were run and all were interesting, especially the third, where the time was good and the horses were faster still than the schedule.

The management of the meet wish to state to the public that the many subscriptions by the people toward keeping the road and track in driving condition was so used in its entirety. The horsemen ran their horses without any compensation whatever, simply as an amusement for themselves and a pleasure to the people attending. The \$1.50 per month subscribed by many people is used as was stated it would be used, for the improvement of the road and track for driving purposes and the benefit of the public.

Two horses were entered in the first event: Boy, a bay horse owned by Gus La Fontaine, and Alton B, a black stallion owned by Frank Frazier. Alton B won the first heat in 1:23 1/2, while Boy took the second in 1:22 flat. The third heat was not run.

The second race was for buggy horses, and had two entries: Mack, a black gelding owned by Tom Thompson, and Prince, a bay gelding, owned by Lester Swaggert. Prince won the first heat in 1:36 and Mack the second in 1:26. The third heat was not run.

The third race was the best of the day. Three horses were entered: Onita, a bay mare owned by James Irwin; Kitty Clover, black mare, owned by Martin Lynch, and Nancy Cole, a brown mare owned by George Perringer. Onita won the first heat in 1:16 and the second in 1:13. Kitty Clover was second in both heats.

The fourth and last race had three entries: Lady Memo, owned by T. W. Ayres; Nancy Hanks, owned by W. J. Furnish, and Little Girl, owned by Gus La Fontaine. Nancy Hanks won the first heat in 1:28 and Lady Memo the second in 1:26.

It is the intention to give an afternoon meet once every two weeks throughout the summer.

STUDENTS TO SPOKANE.

Will Present President Roosevelt With a Pendleton Blanket.

Misses Myrtle Disney and Mabel Reynolds, and Se Williams and Furnish Slater, chaperoned by Miss Mary Ritner, of the Pendleton high school, left this morning for Spokane, where they go through the courtesy of the Peoples Warehouse to attend the celebration in honor of the president. The party will be met at the Spokane depot by representatives of the Spokesman-Review, who have arranged for their entertainment while in the city.

The party, acting as a committee from and in behalf of the high school as a body, will present to President Roosevelt tomorrow morning a very handsome and costly steamer rug, the product of the Pendleton mills. This gift will be expressive of the good will of the school children in particular and the people of Pendleton in general. The rug is the finest specimen of work to be found in the stock of the mills, and will be a most suggestive and valuable souvenir of the Inland Empire, as the wool from which it is made was grown upon the Oregon range, prepared by the Pendleton Scouring Mills and woven into fancy design by the Pendleton Woolen Mills.

Sullivan vs. Palmer.

London, May 25.—"Twin" Sullivan, the Boston fighter recently arrived in England, is scheduled to go 15 rounds with Jack Palmer before the National Sporting Club. The contest is for the middleweight championship of England, a title now held by Palmer. Sullivan has been training faithfully for the past 10 days and appears to be in good shape for the contest. The fight is for a purse of \$1500 and a side bet of \$1000.

A DAY OF SERMONS.

Baccalaureate for High School and Academy Preached Yesterday.

At 2:30 yesterday afternoon President Stephen B. L. Penrose, of Whitman College preached the high school baccalaureate sermon, at the Christian church, and at 8 o'clock in the evening President F. L. Forbes, of the Pendleton Academy, preached the baccalaureate for that institution at the Baptist church.

The churches were both elegantly decorated for the occasion. The attendance at both the services was very large and the programs preceding the sermons were appropriate and interesting. The speakers and their high order of ability are too well known in Pendleton to need any introduction or comment and the two graduating classes were the recipients of many heartfelt wishes for future success.

Roosevelt in State of Washington.

North Yakima, Wash., May 25.—All the surrounding country poured visitors into North Yakima today and when the presidential special arrived 20,000 people were on hand to greet the nation's president. After leaving Seattle the train made a brief stop at Ellensburg and reached here on schedule time. The town was decorated for the occasion and a delegated committee met the distinguished visitor at the station. The program provided for a brief drive about the town and a short speech from a stand erected for the purpose. The exercises concluded, the journey was resumed without delay toward Walla Walla, which is the last stop provided for in the day's itinerary. During the afternoon brief stops will be made at Pasco and Wallula.

The employees in the Rigby-Clove factory have purchased stock in the concern and it was hoped that this action on their part would bring the matter to a close.
