THE SCOT'S PICNIC

CALEDONIAN SOCIETY
HAD A MERRY TIME.

Athena the Scene of Enthusiastic Crowds to Enjoy the Scotchmen's Unbounded Fun and Hospitality—Special Features of the Picnic.

"Here's to the heath, the hills and the heather, The bonnet, the plaidie, the kilt and the feather, Here's to the heroes that Scotland can boast; 'May their names never die'—that's the Highlander's toast."

Athena has just cause to be proud over the success of the annual meeting of the Caledonian Society of Umatilla county, which met there May 26 and 27. The exercises were interesting and the attendance large. Altogether, it was a very successful affair. The program was carried out in full as published in the East Oregonian Monday.

Hon. George J. Cameron, of Portland, who made the annual address, was enthusiastically received. He was the recipient of a very handsome gold-headed ebony cane from the Caledonian Society.

Hon. Thomas G. Halley's eloquent address was greatly enjoyed. The singing of the old-time Scotch ballads by Mrs. Max Shillock and Miss Lanlie Stanton, of Portland, won for the singers the hearts of their hearers.

A. B. McEwen, the president of the society, was largely responsible for the success of the meeting. When he joined the dancers and danced the Highland fling and Scotch reel, he received prolonged and hearty applause.

Wherever Sergeant James S. Moon was, he was sure of a crowd. His picturesque costume and the skirling of the pipes proved a drawing card. Sergeant Moon served in more than 20 years in the famous 42d Royal Highlanders, called the "Black Watch" regiment. He is a native of the district where the regiment was raised, Perthshire. He was twice wounded while in the service of the queen. He carries a very handsome 14-inch dirk given him by the regiment, as well as a beautiful horn, mounted in chased silver and set with cairngorm, the gift of his comrades in arms. He has medals by the hundred, won in nearly every state in the Union, as well as Great Britain, India, Africa and other countries for his baggage playing, sword dancing and athletic feats.

He is very proud of one of his medals, that of champion mile runner of Scotland, won at Bannock Square, in Perth. He also won the 10-mile run in 51:15.

He displays 11 first prizes, won in Inverness, Scotland, for the best sword dancer.

Another feature worthy of special mention was the graceful dancing of David Forbes, Mysie Sharp, Rosie Forbes and the other dancers from Portland.

The reel o' Tulloch, the Shantreus, the Highland fling, the Scotch reel and the sailor's hornpipe were danced very gracefully. One of the dances that won unstinted applause was the sword dance by Mysie Sharp and Rosie Forbes.

REGENTS MEETING

SELECTED A NEW FACULTY
AND CHANGED SALARY LIST.

Board Compliments Professor French Highly — Buildings Will Be Remodeled in Expectation of a Largely Increased Attendance—College Has Bright Prospects.

The board of regents of the state normal school, met at Weston yesterday, at which time they transacted the routine business for the past year and straightened up the accounts, besides electing officers for the board and providing for the faculty of the college.

Faculty Selected for Next Year.

The full corps of professors were elected, but the board declines to make the list public until after the adjournment of the school for this term, in order to promote harmony at the institution.

The salary list was cut down owing to the action of the last legislature in scaling the appropriation to \$16,000. The salary of President French was not altered, but reductions were made in the compensation received by Professors Peebles and Kitteridge, their salaries being reduced to \$800 per annum. The salary of Professor Bruce was raised from \$765 to \$800 per annum, while all the other teachers will receive \$600 for their year's effort.

The board found the college in very good condition, with a fine spirit of enthusiasm and progress in evidence.

Compliment Professor French.

They wish to especially commend the effort of President French in up-building the school and for the system and excellence of his work in advancing the interests of the institution and its students.

The buildings will be remodeled and put in first-class shape during the coming vacation in expectation of a very successful session the coming year.

During this summer an active campaign will be carried on to secure an increased attendance for the fall term. President French will spend his vacation in endeavoring to build up the roster of students. There are at present 45 students in daily attendance at the school, and this number is sure to almost double.

It is not thought by those in touch with the management of the institution that the decreased appropriation will work any hardship on the work for the future. Those who have studied the question are confident that, with a careful and judicious administration of the funds at the disposal of the college, the work can be carried on as well as before. If economy is practiced the work will be as well done and the service as good as it has heretofore been.

Officers of the Board.

The board at its meeting yesterday elected the following officers to serve the board during the coming year:

President—J. W. Scriber of La Grande.

Secretary—P. A. Worthington of Portland.

Treasurer—Robert Kilgore of Baker City.

Executive committee—Col. J. H. Raley of Pendleton, chairman; Mr. Saxton of Baker City, and R. Alexander of Pendleton.

WOOL SALES IN PROGRESS.

Both Sides Stubborn and Little Prospects for General Agreement.

The wool buyers and the sellers met this afternoon at the Furnish warehouse, where they are thinking over the question of whether to sell or to hold. The market has been somewhat dull, the growers showing a reluctance to sell at the figures offered.

The buyers are apparently independent, and will not yield anything above their first bid. They are offering from 10½ to 13½ cents per pound and will go no higher at this time, though they may be forced up in the future. The growers are yielding in some instances and may sell entirely.

The following sales have been made this afternoon, and more will perhaps follow the lead set and sell tomorrow, though it is generally believed that those able to do so will hold for a rise in the market:

Joe Connolly, 105 bags, 37,189 pounds.

J. E. Smith, 392 bags, 124,875 pounds.

G. F. Jackson, 157 bags, 53,761 pounds.

Johnson & Pearson, -04 bags, 35,900 pounds.

Chris Nelson, 33 bags, 10,790 pounds.

Pat Doherty, 160 bags, 54,000 pounds.

Charles Cunningham, 493 bags, 170,159 pounds.

Royal Arch Masons.

There will be a special meeting tonight of Pendleton Chapter R. A. M., at 8 o'clock, for work in the royal arch degree. By order of H. J. Bean, H. P.

Rev. Rigby at M. E. Church, South.

Rev. G. W. Rigby will preach at 11 a. m. and in the evening at the M. E. Church, South, Sunday next. Rev. Jones will be at Heppner, conducting quarterly meeting.

DAYTON BASEBALL TEAM.

Manager and Members Arrived Last Night.

The Dayton baseball team came down from Athena last night and are stopping at the Strahon. They are a good-looking lot of young men and in condition to put up good ball. The game will be called at 3:30 p. m. and promises to be a very even and exciting contest.

Manager Bert Longheed was seen and gave the line-up of the team as follows: William Kid, center field; Longheed, first base; Williams, Ski, left field; Donovan, short stop; Kane, third base; Wells, second base; Velez, catcher; Carter, right field; Stevenson, pitcher.

Manager Bert Longheed is a veteran of the bat and has played infield positions in many a hard fought game. He is an old Stanford University man and played on the Stanford varsity for four years, where he was considered one of the fastest and most consistent players on the team. He was several times honored with the captaincy of his class team and served his time at the head of the varsity lads. If all of Mr. Longheed's colts are in his class, and Pendleton wins, the local fans can well be proud of the game they play.

SUCCESSFUL OPERATION.

Portion of the Tibia Removed, Being Affected With Tuberculosis.

Dr. Cole, assisted by Dr. Henderson, at the Slater's hospital, performed an operation for tuberculosis of the tibia upon Glenn Sturdivant, the young man who has been doing messenger service for the Telephone Exchange for several months.

Some five years since he underwent an operation for the same trouble, which was successful, and his health has been good until a short time ago. A portion of the left tibia was removed this morning.

The young man stood the operation well and is resting easily at the home of his mother, at 501 Clay street.

C. E. Pruitt Goes to Iowa.

C. E. Pruitt, reporter on the Morning Tribune, has resigned his position to take effect July 1, and will leave for his old home in Bristol, Ia., about that time. He will spend the summer at home, and at the beginning of the fall term will enter law school at Washington, D. C., to complete a course of which he has taken part. During his residence in Pendleton, Mr. Pruitt has made a host of friends, whose best wishes go with him.

Mrs. T. J. Innis Improving.

Mrs. T. J. Innis, of Ritter, Grant county, who has been seriously ill in the Walla Walla hospital, with tuberculosis, is slowly improving. Mr. Innis passed through Pendleton today, en route to Ritter, from Walla Walla, where he has been at the bedside of his wife.

One Case in Police Court.

Isaac Parr was given three days in the city jail today for being drunk. Parr has been on the city blacklist for some time, but upon the solicitation of his wife was removed about two days ago. He was so overjoyed by his opportunity to indulge that he took too much with the result indicated.

Arrangements at Salt Lake.

Salt Lake City, Utah, May 28.—Every county in Utah is represented in the ovation planned in honor of President Roosevelt upon his visit to Salt Lake tomorrow. The city is rapidly assuming festive garb and hotels and boarding houses are filling with visitors.

Governor Wells, Senators Kearns and Smoot, Mayor Thompson and other federal, state and city officials will participate in the welcome to the president. They, in company with the citizen's reception committee, will meet the presidential special at the Oregon Short Line station. A military and civic parade will take place
