STATE CONVENTION

EAGLES WILL MEET AT THE DALLIES JUNE 5-6.

Anticipating a Large Gathering With Visiting Delegates From Other States—Pendleton Will Be Represented Right.—One and One-Third Railroad Fare.

The first annual state convention of the Fraternal Order of Eagles called for Oregon will be held June 5 and 6 at The Dalles. Besides the delegates in attendance from aeries in this state there will be a large number of Washington, Idaho and Montana Eagles in attendance. Montana has recently concluded a successful state convention, and Eagles from the state are to go to The Dalles to show the Oregon men how it is done.

The aerie at The Dalles will have charge of all arrangements for the coming convention, and preparations are being made to give the visitors a most enjoyable session. Charles I. Flynn, S. D. G. P., of Baker City, is to call the state convention to order.

Reduced Railroad Rates.

Frank W. Smith, of Seattle, editor of the Fraternal Eagle, has been in Portland making arrangements for transportation facilities, and has succeeded in gaining a 1-1-3 rate for the round trip. Mr. Smith's paper recently issued a handsome souvenir edition in honor of the visit of President Roosevelt to Seattle, in which he comments on the Oregon convention and urges delegates to go to The Dalles prepared to suggest the legislation their aeries desire rather than appear in an unprepared state.

The local aerie of Eagles was organized in this city in March last and is now one of the strong orders of Pendleton. It has about 125 members and is rapidly growing. The delegates from here to the state convention will be J. T. Hinkle and Thomas Fitz Gerald.

HAIR WON'T FALL OUT.

If You Kill the Dandruff Germ With the New Treatment.

John N. Fuller, a well-known citizen of Colfax, Wash., says: "I had dandruff so badly that it caked on my scalp. Herpicide completely cured me." George H. McWhirk, of Walla Walla, Wash., says: "Herpicide completely cured me of a bad case of dandruff of 30 years' standing." They took the only sensible treatment, a remedy that destroys the dandruff germ—Newbro's Herpicide. Stop dandruff, hair won't fall out, but will grow naturally, luxuriantly. Allays itching instantly and makes hair glossy and soft as silk. At druggists. One bottle will convince any doubter of its merits. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

Makes the Cow Man Glad.

A Colorado man, Judge Miles, of Hugo, is responsible for this skit: Just a little sunshine, just a little rain; Just a little warmer nights, to start the grass again. Just a little gramma grass to make a crop of hay. Just a little tallow to make the critters weigh. Just a little market with prices good next fall; Just another Elkins bill to stop the passes all. Just a little more free range with laws to keep it so— Will make our stockmen happy and contented, don't you know.

We sell the greatest of blood purifiers, **Acker's Blood Elixir**, under a positive guarantee. It will cure all chronic and other blood poisons. SHORTHORN CATTLE.

Association Stock Now in Walla Walla.

The 31 head of Shorthorn beauties brought here by B. O. Cowan, of Chicago, are now on exhibition at the Pioneer barn in East Main street. There are 19 cows and heifers, 11 bulls and one bull calf in the lot. With the exception of one cow, which had a horn broken in transit, the herd is in fine condition, fat and sleek. The observer is particularly impressed with the "squareness" of the animals. They are square with rounded corners, the majority red with a spot or streak of white, one or two being roan colored. Nearly every stock fancier in Walla Walla aware that the herd had arrived went to the stables yesterday to see them. The auction sale will occur June 3.

B. O. Cowan went to Colfax yesterday with another herd of Shorthorns. He will return to the city and be present at the sale.—Walla Walla Union.

Badly Sprained Ankle.

Willie Penland sustained a badly sprained ankle last night while playing along the street. He was standing on the sidewalk and stepped off when his foot turned under him and wrenched his ankle. It will be some time before he can use it again.

Confide in a Woman

Women may write about their ills to Mrs. Pinkham, and avoid the questioning of a male physician. They can tell their story without reservation to her; she never breaks a confidence, and her advice is the best in the world.

The questions asked of a woman by a male physician are embarrassing, and often revolting to a sensitive nature. In consequence the whole truth is not told; this makes it difficult for female troubles to be successfully treated even by the best physicians, and is the reason so many women grow worse rather than better. A woman understands a woman better than a man, there are symptoms which sick women have that a man cannot understand, simply because he is a man, but the whole truth may be told to Mrs. Pinkham, and her vast experience enables her to give advice which leads to a cure.

All women who suffer should secure Mrs. Pinkham's advice; it costs nothing but a letter addressed to her at Lynn, Mass. Female troubles are real troubles, and must be treated understandingly. For a quarter of a century Mrs. Pinkham's advice and Lydia E. Pinkham's Vegetable Compound have been helping women to get strong and well, and her great file of letters prove that more than a million women have been restored to health and strength by her advice and her medicine when all other means have failed.

When you go to a druggist for Lydia E. Pinkham's Vegetable Compound do not let him persuade you to try something which he says is just as good, there is nothing just as good, because Mrs. Pinkham's medicine holds the record for the largest number of cures of any female medicine in the world.
