Baltimore, Md., June 3.—About 150 ministers and an equal number of lay delegates were present today in First church at the opening of the meeting of the General Synod of the Evangelical Lutheran church. Fisher, of Sunnyside, Pa., and the treasurer, Louis Manss, of Cincinnati.

The Helix school closed last Friday with a picnic, and also splendid program was rendered, which was pronounced elegant.

## Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

ONE WAY OUT.

A Resident of Pendleton Shows the Way.

Only one way to cure a bad back. Liniments and plasters may relieve it.

They won't cure it.

Backache means sick kidneys.

Doan's Kidney Pills cure all kidney ills.

Pendleton people prove this.

Read a case of it:

Mrs. J. Brynk, who lives on Star street, says: "Doan's Kidney Pills are a grand medicine, as I know from experience, and I have no hesitation in saying that any sufferer from backache or other kidney troubles who will give them a fair trial, will be more than well satisfied with the results. I suffered from three or four years with sharp pains in my back which became acute when I attempted to bend over, or to lift anything. Besides, I had rheumatism or lumbago in my left arm so bad that I could not raise it above my shoulder without assistance from my left hand. I saw Doan's Kidney Pills advertised and got a box at the Brock & McComas Co. drug store. When I had used three boxes the backache had vanished and with it the rheumatic pains through my arms."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—DOAN'S—and take no other.

## What Others Say About the Underwood

Walla Walla, Wash., April 16, 1903.

J. S. Kees, Pendleton, Oregon.

Dear Sir—Re: lying to your enquiry, I beg to say that I purchased an Underwood typewriter in 1896, and it has been in continuous hard use ever since.

I have not seen any of the new models, but this is a specimen of the work done by my machine after nearly seven years usage. I would not exchange it for any other make.

The only repairs I have had to the machine is to have the platen renewed twice during the time I have had it.

This was rendered necessary by the large amount of tabulating work, and the hard usage it was subjected to in mail order.

Signed—Yours Truly, S. B. CALDERHEAD.
