## NOT NEARLY SO BAD

GOOD WHEAT IN SOME  
PARTS THIS COUNTY.

In Only One Locality is the Failure  
Pronounced—A Large Portion of  
the Acreage Will Yield Thirty  
Bushels Without More Rain.

N. T. Conklin, who travels exten-  
sively throughout the county, declares  
that there is no "assured crop fail-  
ures" in the wheat belt of this coun-  
ty, speaking especially of the north-  
ern and northeastern part of the  
county at this time. The entire  
wheat district needs rain, but the  
crop is not in any immediate danger.

Directly west of Pendleton the out-  
look is less favorable. In fact, much  
of the wheat is hardly worth cutting  
for hay. The prospect on an average  
is dubious in the southern and south-  
western portions of the county, where  
the drouth has been more severe  
than elsewhere, beyond any doubt.  
There are some good fields of grain  
in those portions of the county, but  
they are scarce.

A railroad man who owns land in  
the southern part of the county in-  
forms Mr. Conklin that there is every  
evidence that the drouth is more se-  
vere from Dayton to Walla Walla than  
from Walla Walla to Pendleton. Other  
travelling men declare that the drouth  
is worse all the way from Walla  
Walla to Spokane than from Walla  
Walla south.

### Good Prospects, After All.

J. H. King, of North Cold Spring,  
who was in the city yesterday, avers  
that winter wheat in that country will  
yield 30 bushels per acre on an aver-  
age, even should there be no more  
rain, provided there are no hot winds.  
Plenty of rain from now on, well dis-  
tributed, would make almost a full  
crop. Mr. King has in 480 acres of  
winter wheat, of which he predicts as  
above. He also has in 45 acres of  
barley, which he believes will make  
60 bushels per acre as against 65  
bushels per acre for each of the past  
two years.

### STATE AERIE OF THE EAGLES.

Convention at The Dalles a Great  
Success—Judge Fitz Gerald to New  
York.

Thomas Fitz Gerald and J. T. Hin-  
kle were the representatives of the  
local aerie in the state convention of  
the Eagles, which met a few days ago  
at The Dalles. From The Dalles Mr.  
Fitz Gerald went west on a visit. Mr.  
Hinkle, who has returned, reports  
that the order was royally entertain-  
ed by the people of The Dalles. Sat-  
urday night a banquet, one of the  
finest ever sat down to, was spread in  
their honor. All the city and county  
officials were honorary guests there-  
at.

The convention, which was compos-  
ed of two delegates from each local  
aerie, indorsed Joseph Gribler, of As-  
toria, for state deputy. The recom-  
mendation goes to the national aerie  
for indorsement.

Judge Fitz Gerald, by virtue of his  
position as a junior past president of  
the Pendleton aerie, will be a delegate  
to the national aerie in New York  
next September. Mr. Hinkle, who is  
the present junior president, will rep-  
resent the aerie in the national aerie  
next year.

### MEMORIAL SERVICES.

Woodmen of the World and Women of  
Woodcraft Observance.

Sunday last the two orders named  
decorated the graves of Levi Hayes,  
who in life was a member of Pendle-  
ton Camp No. 41, and of Mrs. Arthur  
Gibson, who was a member of Daphne  
Circle No. 2. Both are at rest in Ol-  
ney cemetery.

The decorations of flowers were pro-  
fuse and beautiful and the ceremony  
accompanying the decoration was im-  
pressive and profoundly respectful,  
and strictly according to the ritual.

The oration by Robert Cronin is  
complimented by all who hear it as  
being eloquent, sensible and appro-  
priate.

### PENDLETON WON A SHUTOUT.

"Slats" Taylor Was Too Strong for  
the Colfax Bunch.

Colfax, Wash., June 9.—Pendleton  
tightened her grip on the Inland Em-  
pire league pennant by shutting out  
Colfax Sunday with a score of 9 to 0.  
"Slats" Taylor redeemed himself  
today by striking out five men and al-  
lowing but five hits off his delivery.  
The largest attendance of the season  
saw the game. An excursion train  
from Tekoa and points on the Pleas-  
ant Valley branch brought 100. The  
score by innings:  
Pendleton ..... 0 1 2 3 0 1 1 0 1—9  
Colfax ..... 0 0 0 0 0 0 0 0 0—0  
Batteries—"Slats" Taylor and  
Brown; Druhot and Mills.

### THE WISE BOY YIELDS \$225.

Hump Mine Cleans Up on a Seven  
Day Run.

Manager W. E. Moore of the Wise  
Boy mine came out from the Hump to  
Grangeville, Idaho, last week, bring-  
ing with him 150 ounces of gold bul-  
lion valued at \$225, the result of a  
seven-day run on low grade ore, says  
the Spokesman-Review. This was the  
preliminary cleanup preparatory to  
the season's run, which will commence  
as soon as provisions can be packed  
in. Mr. Moore made the entire dis-  
tance from the mine on foot. He  
says that the roads are very soft  
from the melting snow, and the scar-  
city of supplies has necessitated the  
laying off of three-fourths of the men  
for at least six weeks. It is under-  
stood that all the mines in the camp  
are short of food supplies, and that  
there is nothing for sale at the Hump  
store. Men have been packing beef  
and other supplies over from Concord  
to the Wise Boy at a cost of 10 cents  
a pound, until the supply ran out.

### A Bad Runaway.

The turbine wheel that is to sup-  
ply power from the Deschutes for op-  
erating the Steidl & Reed sawmill,  
met with an accident a few days ago  
near the foot of Grizzly butte, six or  
eight miles beyond Prineville, says  
the Bend Bulletin. Coming down the  
mountain the freight team ran away,  
one horse was killed and the driver,  
John Tweet, was hurt, the wagon  
smashed to smithereens and the out-  
fit miscellaneous scattered along the  
road for a quarter of a mile. It  
is supposed that the turbine, having  
fallen off at the beginning of the  
trouble, escaped injury.

### Its Fame is Spreading.

ceived a letter from a big wheat  
raiser in Oklahoma asking for infor-  
mation about the combine and signi-  
fying some intention of investing.

### Boy Baby Born.

A son was born Sunday last to Mr.  
and Mrs. J. W. Chandler, of the west-  
ern part of the city.

### Opens September Second.

emy will open September 2.

### To Whom it May Concern.

Union No. 599, of Pendleton, Ore.,  
June 3d, 1903.

We, the undersigned committee,  
duly appointed by this body, do here-  
by declare Mr. William Hickey unjust  
to organized labor. After signing an  
agreement as a contracting painter,  
to do and abide by the request of this  
body, on April 10th, or thereabout, he  
now goes contrary to what he agrees,  
and we therefore declare him unfair  
to all organized labor. (Signed)
