SECOND MATINEE

PENDLETON DRIVING ASSO-
CIATION MEET TOMORROW.

Interesting Events Scheduled—Ball
Game Postponed Until Sunday to
Give Matinee Clear Field—Indian
Race Arranged.

The second matinee of the Pendle-
ton Driving Association will be held
at the Simpson-Perringer track tomor-
row afternoon, beginning promptly at
2:30.

The association has made every
preparation for this meeting and in
order to insure a good attendance
and interest in the matinee, the ball
game scheduled for tomorrow after-
noon has been postponed until Sun-
day, when two games will be played
—the first at 10:30 a. m. and the sec-
ond at 2:30.

The Driving Association highly ap-
preciates this thoughtful action on
part of the baseball management.

The track is in good condition and
the horses in excellent trim and the
matinee promises to be spirited from
beginning to end.

The following events have been
scheduled and will be pulled off in
the order named, beginning at 2:30
sharp.

First event—Entries, Lady Memo,
owned by T. W. Ayers; Kitty Clover,
owned by Mart Lynch, and Nancy
Cole, owned by George Ferringer.

Second event—Entries, Ollie M.,
owned by James Irwin; Oveta, owned
by Charles Badly, and Francesco,
owned by La Rue.

Third event—Buggy horse race—
Entries, Prince, owned by Lester
Swaggart, and Lady Goldfield, owned
by J. F. Robinson.

Fourth event—Entries, Little Wil-
lie, owned by George Ferringer, and
Peanuts, owned by Gus La Fontaine.

The matinee will close with an In-
dian pony race, which will be par-
ticipated in by some of the best
horses on the reservation.

The Driving Association is justly
proud of the success of the first
matinee held a couple of weeks ago,
and will add features of interest to
each succeeding meet. The interest
taken in the association is very grati-
fying to the members, who will spare
no pains to furnish the best enter-
tainment possible to lovers of good
horses during the driving season.

The ladies will be admitted free
of charge.

UP-TO-DATE METHODS.

Progressive Firm Puts in Costly Ma-
chinery.

The firm of Neagle Brothers, of
this city, have installed in their
place a West pneumatic tire com-
pressor, at a cost of \$1,500. It is the
only machine of its kind on the coast
and is truly a marvel.

By its use any tire, from the deli-
cate steel band of a race track sulky
to the heaviest truck tire, can be set
in one minute from the time it is put
on the machine, and that without
removing a bolt from the wheel.
You simply put the wheel on the ma-
chine, and it does the rest.

Real Estate Transfers.

Henry W. Schwarz and Louise
Schwarz, his wife, and Frank J.
Greulich and Ora E. Greulich, his
wife, have sold to the Schwarz-Greulich
Meat Company of Pendleton, for
\$22,000, the south half of lot 6, and
the north 17 1/2 feet of lot 7, in block
F, of the reservation addition to the
city of Pendleton. Also lot 8 of
block F of the reservation addition;
also lots 11, 12 and 13 in Hazel addi-
tion to Pendleton.

Colfax Team Line-up.

The Colfax baseball team is regis-
tered at the Strahon, where they
will stay during the series. The men
will play in the following order this
afternoon, the names being given as
they bat: Lindberg, second base;
Mills, catcher; Case, left field; Cly-
nes, first base; Newell, short stop;
Shaw, third base; Somers, center
field; Griffin, right field; Druhot,
pitcher.

A Novel Guessing Contest.

M. A. Rader, the progressive furni-
ture dealer of Pendleton, has adopt-
ed a novel plan to associate the name
of Rader with furniture by offering
valuable prizes for correct solution of
the rebuses published in this paper,
and it is well worth one's while to
compete. A great deal of interest
is already manifest in Mr. Rader's
novel idea.

Attend Whitman Graduation.

Mrs. E. T. Wade returned from
Walla Walla today, where she attend-
ed the graduation exercises at Whit-
man College last night. Her son,
Ceil, was a member of the graduat-
ing class, and will arrive home to-
morrow to remain permanently.

Control of Millions Settled.

Fowler, Ind., June 11.—The jury in
the Moses Fowler Chase case was
out 15 minutes and returned a ver-
dict at noon which gives the father
charge of the demented young mil-
lionaire.

Oscar Reiman, temporarily insane,
yesterday morning shot six times in-
to the residence of E. G. Sanders, at
Seattle. There were six persons in
the front room at the time and the
bullets went within two inches of
the heads of two of the members.

SECOND SALES DAY

OVER MILLION POUNDS
WILL OFFER TOMORROW.

Shaniko Sales Brought Good Prices
Generally, the Top Being Sixteen
and Three-Fourths Cents, an Ad-
vance of One Cent Over Last Year
—Growers Are Hopeful.

The second sales day of the wool
season will occur tomorrow and in-
dications are that it will be a great
success.

The sales at Heppner and Shaniko
were big and brought good prices to
the grower. The highest price paid
at Heppner was 14 1/2c and good sales
were made at this figure.

Good Prices at Shaniko.

The Shaniko sales were big and
the prices ranged high. The Bald-
win sheep & Land Company sold
their clip for 16 1/2 cents. This is at
an advance of one cent over the sell-
ing price of last year. One and a half
million pounds changed hands yester-
day at Shaniko.

At the last sales day here about
three-quarters of a million pounds
of wool were sold at a maximum of
15 1/2 cents. Tomorrow there will be
from one to one and a quarter million
pounds for sale in the Pendleton
warehouses and for this the growers
expect to realize a little more than
at the former sale. The price is ex-
pected to raise around 14c. It may
not reach it, and it may climb above.
It is the hope and the wish of the
growers that it raise, and for this
they held their wool in many in-
stances on the last sales day. Whether
or not they will realize their
wishes will be demonstrated tomor-
row. But whether they do or not the
tone of the market is strong, and it
is the tendency of the growers to
sell. Few of them wish to risk the
uncertainty of private sales, and for
that reason do not like to hold out
their clips after the last public day.
It is expected that the warehouses
will have a more vacant look in a few
days than they have at present.
