Trib-Notice-Trib

The people of Pendleton are re-spectfully asked to fully investigate Trib, the world's greatest cure for the liquor and tobacco habits, and to any-one in need of a cure we say truthfully, Trib is an honest, positive cure You do not use Trib in your coffee; you can't give it that way; but be sensible and take it for either of these habits the same as you would a remedy for any other disease. Here is a reference from a man well known in Pendleton. Read it. We have

many more.

J. W. Daugherty writes on May 14, 1903: To whom it may concern:— I wish to say I completed a cure with I wish to say I completed a cure with Trib in February, and have had no desire to drink since. It will also cure the tobacco habit. I had a harder time to learn to smoke after taking Trib than when I first learned to smoke. I am quite well known in Baker City, La Grande. Sumpter and Pendleton and anyone wishing to stop using either liquor or tobacco, I would recommend them to take Trib.
