## BAPTIST MEETING

EASTERN OREGON ASSOCIATION NOW IN SESSION.

Annual Sermon by Rev. Spight, of Ontario — Committees Appointed — Many Delegates and Visitors Take Part in the Program.

The Baptist Association opened Tuesday evening, June 23, by song service and devotional exercises, lead by Rev. R. W. King, of Pendleton, after which Rev. Spight, of Ontario, preached the annual sermon, which was an excellent exposition of the love and duty of the Christians.

This morning at 9 o'clock the association was opened with devotional exercises and exposition and prayer on Phil. 1:1-6, led by Rev. C. R. Lamar, of Weston.

Then followed the business of the morning session. After reading the letter from each church addition, information was given by some of the delegates. Following these remarks, prayer was offered for the continuance of God's blessing upon the work of the church.

Rev. G. W. Black's talk on the subject, "An Efficient Association," was a fine oratorical effort and gave much encouragement for the winning of souls. He said, "If we are to achieve anything we must have enthusiasm. If we are to be efficient, we must have courage. We need a higher type of Christianity."

The following committees were appointed: On enrollment, G. W. Black, M. O. Perry, C. R. Lamar; auditing, R. P. Burke, W. Pinkerton, J. W. Daly; foreign mission, A. W. Rider, Mrs. M. O. ### New Map of the World.

The passenger department of the Chicago & Northwestern Railway has issued a new map of the world on what is known as the equivalent projection—practically a globe in map form. On the equivalent projections all areas appear in their true proportion avoiding the appearance of extreme condensation in high altitudes, which obtains in other maps. The plan has been indorsed by the leading map makers of Europe, and used by the United States government in recent publications. This new map of the world is of the kind that usually sells at retail for \$2.50. It will be sent postage prepaid to any address on receipt of 25 cents. It is seldom the opportunity is afforded by which a map of this character can be purchased at anything like the price named. Address with postage enclosed, to W. B. Kniskern, passenger traffic manager, Chicago, Illinois.

### To Teachers' Meeting.

Miss Nellie Stevens, of the Weston Normal, accompanied by Miss Mae Stevens, her sister, of La Grande, passed through this morning for the teachers' meeting, now being held at Portland.

### Dalles Indians Visiting.

A party of Dalles Indians arrived last night on the eastbound train and will visit their friends among the Umatillas for a couple of weeks.

"Mamma," said Bennie, as there came a brief pause in the conversation on the part of the callers, "isn't it time for you to ask me what I learned at the kindergarten today? If you don't do it pretty soon I'll forget what you told me to say."—Chicago Tribune.
