WEEK OF SHOWERS

OREGON CROPS AND FRUIT
IN GOOD CONDITION.

Vegetable Crops Lighter Than Usual
in Some Localities—Hops Will Be
Good if Not Damaged by Pests.

The past week has been showery,
with nearly seasonable temperatures.
There is a large amount of hay ready
to cut, but its harvest has been de-
layed by wet weather, and conse-
quently clover and vetch have lodged
in the coast countries and also in
portions of the Willamette valley. A
few farmers have cut their clover
hay, and it has been more or less
damaged by the rains. With favor-
able weather haying will be general
next week. Range stock is improving
and in the dairy districts the flow of
milk is normal.

Fall wheat, barley and oats are
about all headed out, and in the
southern part of the state the straw

is beginning to turn yellow, which
indicates that the harvest of these
crops will soon begin. Spring wheat
has made an excellent growth and it
is beginning to head in many places.
Fall wheat seems to be filling well,
and whereas, owing to previous un-
favorable conditions, an average
wheat crop is not possible, the quality
promises to be better than usual.
It now looks as if the oat crop, both
in quantity and quality, would be
above the average.

Minor crops, such as hops, pota-
toes, onions, sugar beets and garden
truck, have made excellent advance-
ment during the week, and but few
complaints are made regarding dam-
age to them by insect pests.

The strawberry season is drawing
to a close, with satisfactory yields.
The outlook for prunes is excellent,
and pears promise well. Apples con-
tinue doing nicely, but the cherry
crop is disappointing.

Columbia River Valley.

Hood River, Wasco county, P. D.
Hinrichs—Haying progressing nicely;
crop large; strawberry crop good;
some loss on account of hot weather
two weeks ago and rain; range poor.

Wasco, Sherman county, W. C.
Morehouse—Wheat steadily improv-
ing; fall wheat outgrowing the
weeds; spring grain thickening up
and will make a good crop; volunteer
wheat beginning to turn and will be
ready to harvest by the middle of
July.

Douglas, Morrow county, H. W.
Grable—First of week showery, ben-
eficial to crops; latter part cool;
wheat not extra good; fruit doing
nicely.

Arlington, Gilliam county, R. H.
Robinson—Weather cool and favor-
able; wheat "Lower Eight Mile" dam-
aged by dry winds some time ago, but
remainder of grain in the county will
be good and a heavy crop.

Pendleton, Umatilla county, E. W.
McComas—Weather favorable; hay
harvest has commenced; yield of
grain hay light; alfalfa an average
crop; grain continues to fill well;
generally conceded that crop will be
two-thirds of an average crop.

Weston, Umatilla county, Maud M.
Baker—Weather cloudy and sultry,
with light rainfall; wheat in splendid
condition; potato crop smaller than
usual; other vegetables doing fair-
ly well; large yield of royal ann
cherries, and later varieties ripening
rapidly; pear trees suffer from
blight; yield will be small; apples,
prunes and plums promise well;
mountain strawberries coming in.

Plateau Region.

Imbler, Union county, L. Billings—
Week favorable; moisture in ground
sufficient to insure good yields of fall
wheat; sugar beets doing nicely and
thinning completed; hay crop short,
excepting alfalfa, which is good; po-
tatoes doing well.

Rock Creek, Baker county, J. K.
Fisher—Weather fine; grain doing
well; irrigating nearly done; hay big
crop, will soon be ready for cutting;
summer plowing all done.

Burns, Harney county, N. U. Car-
penter—Weather warm and showery;
wheat and rye crops good; severe
winds caused slight damage; range
improving, but hay a little short.

Post, Crook county, J. B. Meyer—
Weather warm and showery; crops
growing nicely; some alfalfa cut;
yield fair; potatoes and garden truck
doing well; timothy and red top
short.

SOUTHERN EDUCATORS.

Hundreds of Teachers Gathering at
Asheville, N. C.

Asheville, N. C., June 30.—Though
the regular sessions of the Southern
Educational Association's annual con-
vention do not begin until tomorrow
hundreds of visitors have arrived.
Formal opening exercises are to be
held this evening with Colonel J. W.
Nicholson, of Baton Rouge, La., pres-
ident of the association, presiding.
Governor Aycock and others will wel-
come the visitors and there will be
responses on behalf of the delegates
from the various sections of the South.

The National Music Teachers' As-
sociation will also be in annual ses-
sion here during the next three or
four days and the combined attend-
ance of the two conventions will
make the number of visitors the larg-
est ever entertained in Asheville at
one time.

Water Flow Being Divided.

The work of dividing the waters of
Mill creek and the Yellow Hawk, in
proportion to an agreement reached
among property owners a year ago,
was completed yesterday by F. B.
Morse and others. The work of ap-
portioning the waters of Garrison
creek and the Yellow Hawk is being
taken up. This is expected to end
the controversy among gardeners and
millers as to the amount of water
each stream is entitled to.—Walla

For Passing Bogus Check.

Last evening Marshal Wood re-
turned from Eugene with Charles
Van Dusen, who has been arrested for
passing a bogus check. The prisoner
was arraigned before Recorder Fil-
loon this morning and his bonds set
for \$200 to appear for preliminary
examination on Monday, the 6th of
July.—The Dallas Chronicle.

ONE WAY OUT.

A Resident of Pendleton Shows the
Way.

Only one way to cure a bad back,
Lumbago and rheumatism may relieve
it.

They won't cure it.
Backache means sick kidneys.
Doan's Kidney Pills cure all kidney
ills.

Pendleton people prove this.
Read a case of it:

Mrs. J. Brynck, who lives on Star
street, says: "Doan's Kidney Pills
are a grand medicine, as I know from
experience, and I have no hesitation
in saying that any sufferer from
backache or other kidney troubles
who will give them a fair trial, will
be more than well satisfied with the
results. I suffered for three or four
years with sharp pains in my back
which became acute when I attempt-
ed to bend over, or to lift anything.
Besides, I had rheumatism or lumbago
in my left arm so bad that I could
not raise it above my shoulder with-
out assistance from my left hand. I
saw Doan's Kidney Pills advertised
and got a box at the Brock & McCo-
mas Co. drug store. When I had
used three boxes the backache had
vanished and with it the rheumatic
pains through my arm."

For sale by all dealers. Price 50
cents per box. Foster-McMillan Co.,
Buffalo, N. Y., sole agents for the
United States.

Remember the name—DOAN'S—
and take no other.

TRIB—Notice—Trib

The people of Pendleton are re-
spectfully asked to fully investigate
Trib, the world's greatest cure for the
liquor and tobacco habits, and to any-
one in need of a cure we say truth-
fully, Trib is an honest, positive cure.
You do not use Trib in your coffee;
you can't give it that way; but be-
sides, it is a cure for the habit, and
it is a cure for the habit, and it is a
remedy for any other disease. Here
is a reference from a man well known
in Pendleton. Read it. We have
many more.

J. W. Daugherty writes on May 14,
1903: To whom it may concern:—
I wish to say I completed a cure with
Trib in February, and have had no
desire to drink since. It will also cure
the tobacco habit. I had a harder
time to learn to smoke after taking
Trib than when I first learned to
smoke. I am quite well known in
Baker City, La Grande, Sumpter and
Pendleton and anyone wishing to stop
using either liquor or tobacco, I would
recommend them to take Trib.

Price \$12.50. For sale by all drug
lists.
