## BAPTIST MEETING

TWENTY-FIVE THOUSAND PEOPLE AT ATLANTA, GA.

All the Southern, Middle Western Northern and New England States and Canada Are Represented—Chorus of One Hundred Voices—An Emergency Hospital Provided.

Atlanta, Ga., July 7.—Atlanta is nearly all afoot completing arrangements for the international convention of the Baptist Young People's Union. The scheduled arrivals commence this evening, but the great rush of delegates and visitors will not be on until tomorrow morning. Throughout the day the trains will come in quick succession until late in the evening with delegates from Tennessee, West Virginia, New Jersey, Pennsylvania, Massachusetts, Connecticut, Maine, New York, Iowa, Kansas, Indiana, Missouri, Vermont, Nebraska, Michigan, Colorado, Dakota, Texas and Ohio, besides many parts of the Dominion of Canada. A crowd of at least 25,000 is counted on, of which more than 5,000 will be regularly accredited delegates and the remainder visitors.

Every precaution is taken to minimize the causes of accidents, and "Smoking prohibited" will be a conspicuous placard in the great auditorium at Piedmont park, where the general sessions are to be held. The medical staff of the convention is completing hospital arrangements so that prompt aid may be afforded and the visitors put to no expense for emergency attendance.

The auditorium and also a number of churches which are to be utilized for convention purposes are being elaborately decorated with the four colors of the Baptist Union, viz.: Green, for Southern section; blue, west of Mississippi river; gold, east of the Mississippi, and red for Canada.

One of the most interesting and attractive features of the gathering will be the musical program. This is in charge of Professor Porter of Baltimore, who has trained a grand chorus of 1,000 voices, which will give a concert tomorrow night and also render selections in the intervals of the convention sessions.

President John H. Chapman, of Chicago, will call the gathering to order Thursday morning and preside over the opening session. Addresses of welcome will be delivered by Governor Terrell, Mayor Howell, Ex-Governor Northern and others.

DESTROY THE CAUSE. You Cannot Cure Dandruff Without Destroying the Cause of It. Many people wash their scalps Saturday night or Sunday to try to keep the dandruff down for the week, but on Monday night the scalp has begun to itch, and Tuesday morning will find a good supply of dandruff when the hair is brushed. There is but one real scientific way of curing dandruff; and that is to kill the germ that causes it, and falling hair, and finally baldness. There is only one preparation that will destroy the germ, and that is Newbro's Herpicide. It is an entirely new discovery and the only hair preparation that is based on the new scientific principle. In addition Herpicide is a very refreshing hair dressing for regular toilet use. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. F. W. Schmidt & Co. special agents.

Home from vacation, feeling good, strong and healthy, would be the case after an outing at the most beautiful of Blue mountain resorts—Lehman Springs. There isn't a place in all the West where you can find a more convenient and delightful spot to spend a few days or a long time away from the heat, noise and worry of city life. The 15 natural hot springs are wonderful for their medicinal properties. Hotel accommodations are first-class, phone connections, free camping ground, 25 private cottages, large swimming pool, bath, golf, tennis, hunting and fishing. For further particulars, address C. R. Dutton, Lehman Springs, Or.

Brutally Tortured. A case came to light that for persistent and unmerciful torture has perhaps never been equalled. Joe Gohbiok, of Colusa, Calif., writes: "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by Tallman & Co., druggists.

Stock Farm for Sale. The Ogde stock farm, consisting of 3000 acres, about 250 head of cattle, plenty of water, grass and timber. Range has never been sheeped off. All under fence. Will grow all hay required. Call on or write to Bentley & Hartman, Pendleton, Oregon.
