

# Society Women

are just as susceptible to the ills of womankind as are their less favored sisters, but owing to their inherent distaste for advertised articles will resort to all other methods for a cure first.

Yet it is a fact worth recording that Mrs. Pinkham is constantly receiving letters from women of high social position, saying as a last resort and without any faith, they tried Lydia E. Pinkham's Vegetable Compound and were completely cured by it. She actually has thousands of such letters as the following:

Mrs. Ida Roser, grand-niece of the late U. S. President James K. Polk, relates her happy experience with Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM—I have been married for nearly two years, and so far have not been blessed with a child. I have, however, suffered with a complication of female troubles and painful menstruation, until very recently.

"The value of Lydia E. Pinkham's Vegetable Compound was called to my attention by an intimate friend, whose life had simply been a torture with inflammation and ulceration, and a few bottles of your Compound cured her; she can hardly believe it herself to-day, she enjoys such blessed health. I took four bottles of your Compound and consider myself cured. I am once more in fine health and spirits; my domestic and official duties all seem easy now, for I feel so strong I can do three times what I used to do. You have a host of friends in Denver, and among the best count, Yours very gratefully,

Mrs. Ida L. Roser, 326 E. 18th Ave., Denver, Col.

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs. Pinkham, Lynn, Mass., for special advice. It is free and always helpful.

No other person has had so wide an experience with the ills of women, nor such a record of success, as Mrs. Pinkham has had. Every sick woman should profit by Mrs. Pinkham's advice. Write to-day. Tell her all. It may save your life.

**\$5000 FORFEIT** if we cannot forthwith produce the original letter and signature of above testimonial, which will prove its absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

## C. E. CONVENTION

FAMOUS SOCIETIES IN POSSESSION OF DENVER.

Twenty-First International Biennial Convention Bringing Great Crowds—Central Session in a Tent; Holding 10,000 People—Overflow Meetings in Every Church in the City.

Denver, Col., July 8.—The rush of Christian Endeavor delegates to the twenty-first international biennial convention has begun, and on every railroad special trains are being run at short intervals, bringing to the city great crowds. Delegates from Ohio, Indiana, Iowa, Michigan, Illinois and from Pennsylvania and other states of the East poured in in large numbers during the day, and California and the Pacific Coast are also well represented. The preparations for the reception and entertainment of the visitors are elaborate. The streets have been strung with electric lights and there is scarcely a building in the main thoroughfares that does not bear yards of bunting. There are today over 20,000 visitors in the city. The program proper will open tomorrow.

**Tent Will Hold 10,000 People.**  
The great tent "Endeavor," with a seating capacity of 10,000, has been erected in a choice location conveniently near the central portion of the city. Meetings will be run almost continuously in the large tent and in the several smaller ones close by from tomorrow until next Monday, and every church and hall will be filled Sunday by some of the leading divines who will be here to address the delegates.

Among those who are down for set speeches are Bishop B. W. Arnett, Dr. Floyd W. Tompkins, Rev. R. A. Torrey, the celebrated evangelist who has just returned from a tour of the world; Prof. Amos R. Wells, Dr. Francis E. Clark, and Rev. C. H. Tyndall. Among the speakers from abroad will be Rev. R. J. Campbell, successor of Dr. Joseph Parker as pastor of the City Temple, London; Rev. F. J. Horsfield, England; Mr. E. J. Powell, Wales; C. Ogunwa, Japan, and Rev. W. M. Uperatt, China. It is also expected that District Attorney Joseph W. Folk, of St. Louis, who has made himself famous by his crusade against "landlording" will address the convention on the subject of "Christian Citizenship."

### EDITORS IN COUNCIL.

Over a Thousand Have Met Together in Omaha.

Omaha, July 8.—Right royal has been the reception accorded by the local newspaper men and citizens generally to the delegates of the National Editorial Association and the visitors who have accompanied them, who in numbers exceed 1,000. Morning and afternoon sessions were held today, at which, following the usual preliminaries, the convention listened to the reports of the officers and to the reading of several interesting papers on questions that concern those engaged in the editorial or business management of newspapers. At the conclusion of the gathering the members of the association, their wives and families, will depart on a Western excursion that will take them as far as the Rocky Mountain region.

### TO COMPILE NEW HYMNAL.

Methodist Church, South and North, in Joint Convention.

Plymouth, Mass., July 8.—In order to complete the task begun at the meeting held in Nashville last January, the members of the commission representing the M. E. church and the M. E. church South, appointed to prepare a hymn book for use in both churches, are gathered in Plymouth for a meeting, which will be one of several days' duration. The new book will contain 800 hymns, about half of which number has been selected. It is in order to select the remaining half that the present meeting is held.

### Oldest Man in Manitoba.

Lundville, Man., July 8.—John McNabb, of this place, celebrated his 102d birthday today and is looking forward eagerly to the fall, when he expects to enjoy his customary sport of duck hunting. Mr. McNabb was born in Kildonan, and is of Scotch parentage. He has been a user of tobacco from his youth and believes the constant use of the weed has tended to lengthen rather than shorten his life. He has spent the greater part of his life out of doors, having made more than 50 voyages from Winnipeg to York Factory in the service of the Hudson's Bay Company.

### Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equalled. Joe Golobick, of Colusa, Calif., writes: "For 15 years I endured insupportable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for liver and kidney troubles and general debility. Only 50c. Satisfaction guaranteed by Tallman & Co., druggists.

### LIMB FROM LIMB.

Well Known Pendleton Man Tells About Physical Torture.

The rack, the garrote and other fiendish torturing machines of the middle ages have gone, but physical torture has not. A prominent Pendleton citizen tells how he was tortured and how he escaped.

D. W. Cook, 70 years old and retired from active business, now living on Main street, says: "The dull, dragging pain in the small of my back felt as if two giants were tearing me apart and at times I felt so miserable that I could not stand or walk and was confined to my bed. Urinary weakness set in, especially at night, and I was failing physically every day. At this time I happened to read an ad. about Doan's Kidney Pills and was much impressed with the sincerity of the testimonial, which was much similar to the one I am making now. I got a box of pills at the Brock & McComas Co. drug store and they helped me so that I continued using them until I had taken several boxes. Then I could eat, sleep and get around again without suffering the least bit of physical pain. I endorse all of the claims made for Doan's Kidney Pills."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—DOAN'S—and take no other.

### CATHOLIC CEREMONIAL.

Installation of Archbishop Farley on July 22.

New York, July 8.—The precious pallium of James Farley, the installation of the Roman Catholic archbishop, was among the possessions of Mr. Farley, who arrived in New York today from Europe. Mr. Farley, who was accompanied across the Atlantic by Mr. Frederick Z. Rooker, the new bishop of Nueva Guaymas, was especially delegated by the pope to convey to this country the pallium that is to be conferred on Archbishop Farley of New York, two weeks from today. St. Patrick's cathedral, where the

imposing ceremony is to take place, is being renovated and altered for the occasion. Scores of workmen are busily engaged in installing hundreds of electric lights which on the occasion of the conferring of the pallium will be used for the first time. The presence of eminent prelates from all parts of the country, arrayed in the gorgeous vestments of their office, will contribute to make the scene one of the most brilliant pictures ever seen in the great cathedral.
