## BUSINESS SESSION

### COUNCIL ALLOWS BILLS AND STRIKES BALANCES.

One Liquor License Was Allowed—  
Statement of the City's Present  
Cash Resources—City Recorder's  
Monthly Statement Made and Ac-  
cepted—Ten Burial Permits During  
June.

Owing to the presence of the dog  
show, the council did not hold a meet-  
ing last Tuesday evening, and as a  
compromise they met yesterday after-  
noon at 4 o'clock for the considera-  
tion of the bills for the last month.  
After the meeting had been called  
to order a few little matters were  
talked of and a liquor license was  
issued to M. F. Kelly for the usual  
term.

**Receipts and Disbursements.**  
The accounts of the various de-  
partments of the city government  
were read and approved. According  
to the report of the treasurer the  
city has paid out for the various ob-  
ligations contracted by the city for  
the last month \$3,507.49. It has re-  
ceived from the various sources of  
revenue the sum of \$3,191.65. There  
is a distribution of the funds of the  
city as follows:  
General fund \$14,848.89  
Called warrant fund 14.37  
Levee sinking fund 753.12  
General sinking fund 1,935.90  
Sewer fund 1,339.47

Total cash \$17,981.85  
The recorder's report was sub-  
mitted and was accepted and is in  
summary about as follows: There were  
a total number of 68 cases tried in  
the recorder's court during the month  
just passed. The office received in  
cash \$479 for fines, \$35 for cemetery  
lots sold, and \$65.50 as the result of  
street liens, or a total of \$579.50.  
From the treasurer's office the re-  
corder received in licenses \$1,386.90,  
making a total cash account coming  
into the office of \$1,966.40.

**Health and Burial Permits.**  
The health for the past month has  
been good, there having been no cases  
of contagious diseases in the city  
during the last 30 days. In that time  
10 burial permits have been issued.  
After allowing the salary list for  
the month of June and the other  
necessary and usual bills the council  
adjourned.

**Bridge Nearly Completed.**  
J. G. Cutler, of Walla Walla, the  
chief engineer and treasurer of the  
Washington & Columbia River rail-  
road, is in the city today. Mr. Cutler  
is here to inspect the new steel bridge  
across the Umatilla river a few miles  
east of the city, and reports the work  
nearly completed, with the exception  
of the painting. As soon as that is  
done the bridge will be looked over  
and accepted by the company.

### PIONEER WOMAN DEAD.

Mrs. John Daniels, of Walla Walla,  
Dies After Lingering illness.  
Walla Walla, July 9.—Mrs. John  
Daniels, of this city, died yesterday  
evening after a lingering illness. Mrs.  
Daniels came to Walla Walla in 1860,  
and was first married to M. Seitel,  
former sheriff of this county. Mr.  
Seitel died in 1874, and Mrs. Seitel  
then married John Daniels, who died  
about a year and a half ago.  
She leaves no children, but has a  
sister, Mrs. Wormington, of Milton,  
and three brothers, C. H. H. D., and  
J. F. Gholson, of Dayton, Wash. The  
funeral was held this afternoon at the  
Episcopal church, Rev. Andreas Bard,  
conducting the services.

### IDAHO FAIR COMMISSION.

Governor Appoints Board to Hold a  
Meeting in Boise July 16.  
Boise, Idaho, July 9.—Governor  
Morrison has called the first meeting  
of the Idaho Lewis and Clark Ex-  
position commission for July 16 at Boise.  
He has named the commission as  
follows: R. W. McBride, of Salmon  
City; James Estell, of Ione; Henry  
Mansfield, of Nampa; Martin Wes-  
sels, of Kendrick; Harold J. Read, of  
Wallace.

### SPANISH WAR VETERANS.

Encampment at Milwaukee—Contest  
Over Commander.  
Milwaukee, Wis., July 9.—Khaki-  
uniformed soldiers are conspicuous  
on the streets of Milwaukee today,  
and the corridors of the hotels and  
other public places resound with mar-  
tial tread. The visitors are members  
of the department of Wisconsin,  
Spanish-American War Veterans,  
whose annual encampment opened to-  
day and will continue through the re-  
mainder of the week. Prize drills,  
speeches and sight-seeing are the  
chief attractions of the program, but  
the big feature is to be a monster  
picnic and patriotic demonstration  
Saturday. The business sessions will  
be devoted largely to plans for  
strengthening the organization.  
A rather spirited contest has de-  
veloped for the office of department  
commander and the result is awaited  
with much interest by the veterans.  
Among the several men whose names  
are mentioned prominently in con-  
nection with the honor are Captain  
Abel, of Manitowoc, and Lieutenant  
W. H. Zuehlke, of Appleton.

### TRANSPLANTING SALMON.

Will Stock Atlantic Waters With Pa-  
cific Fish.

Washington, July 9.—The United  
States Fish commission is about to un-  
dertake an experiment, the outcome  
of which is fraught with commercial  
importance. It is proposed to intro-  
duce a large number of Pacific coast  
salmon into the waters of the Atlan-  
tic in an effort to build up a salmon  
industry on the Eastern coast to rival  
that of the Western coast. Experts  
of the commission are now engaged  
in making an examination of the  
waters inhabited by the Atlantic  
coast salmon, to gather additional  
facts regarding its habits, food,  
growth and life. They will make a  
study of the coastal waters of all the  
New England states. Some eight or  
10 years ago the commission made  
a similar experiment, but it was a  
failure. About 5,000,000 fish were re-  
leased and disappeared, different  
methods are to be pursued this time  
and it is hoped that better results  
may be obtained.

### African Earthquake.

Capetown, July 9.—The most vio-  
lent earthquake in many years occur-  
ed today. The damage was confined  
to articles shaken from shelves, and  
to a few cracked walls.

Riff—I've got to work hard next  
year. Raff—What aren't you coming  
back to college?—Harvard Lampoon.  
"What is the difference between  
hens and poultry, pop?" "Why, hens,  
my son, are things that belong to our  
neighbors; poultry is something a  
man owns himself."—Yonker's States-  
man.
