There is a probability of the O. R. & N. Co. running a special train from Bingham Springs station to Pendleton on next Sunday, July 12th, to bring home any excursionists or picnic parties that may desire to spend a day in the Blue Mountains. ## IN CIRCUIT COURT

### MORNING'S PROGRAM WERE LARCENY CASES.

One Jail Sentence of Sixty Days—Three Defendants Pleaded Not Guilty and Will Stay in Jail Until the Fall Term of Court.

Le Roy Eason, the young lad who was arrested some time ago for the larceny of some money from the sheep camp of Rugg Brothers, near Nye, and put in the county jail to await the action of the court, was brought before Judge Ellis this morning and pleaded guilty to the charge. In consideration of the youth of the accused, the court was lenient with him and sentenced him to 60 days in the county jail. Eason had a check for \$5 and he agreed to turn that in for the money which he had received for the \$5 note which he had taken from the camp. His sentence commenced this morning.

The Nelson brothers, who robbed C. L. Hastings of this city, on the way home from Heppner a couple of weeks ago, were arraigned and pleaded not guilty. They were remanded to the jail to await the next session of the circuit court. They will in all probability have to remain in jail for the rest of the summer, as they have no money to put up for their bail.

John Morris, who is in the jail charged with larceny by baillee, was also arraigned and pleaded not guilty. Morris is wanted for the robbery of an old sheep herder on the train between here and La Grande some time ago. He met the man at that city, and the old fellow paid his way to Pendleton and gave him \$50 to guard for him. Morris gave him back \$40 of the money and the rest was found on his person when searched at the station. He will stay in the jail to await the action of the court in November.

### Ed Weston Sentenced.

Ed Weston was arraigned before the circuit court this afternoon for the imposition of his sentence. He had been found guilty at the last session of the court, but has been awaiting the decision on a motion for a new trial. Today he was brought before the court and sentenced to one-half year in the penitentiary.

Weston was accused of the larceny of three head of horses, the property of Hugh Bell. The horses were taken from the pasture near Athena last November, and for the crime the two Weston boys were arrested. One is now serving time for the offense.

The case of Annie Pond, an Indian woman, vs. B. F. McElroy and Goodman et al. is before the circuit court this afternoon. It is a case to secure the possession of 80 acres of land on the reservation.

### PIANO HOUSE OPENING.

Informal Musicals Given at the Inland Empire Piano House.

B. F. Scott opened his Inland Empire piano house to the public last night, at which time he gave a very enjoyable program of instrumental music. The new store room was crowded with the people of the city who came out to hear the music and to look at the large line of high-grade instruments that Mr. Scott has brought here to show to the music-loving people of the Inland Empire.

O. P. Barkwill, formerly with the Mark F. Jones Piano Company, will be with Mr. Scott in his new venture and will sell for him, covering all of the territory in the Inland Empire. Mr. Barkwill is an old piano man and is well known to the people of the Northwest as a salesman of musical instruments.

Mrs. Barkwill is with her husband, and at the opening last night delighted the large crowd present by her skillful playing. She will be in the store occasionally and will doubtless favor those calling with her work. Besides the piano solos by Mrs. Barkwill, several numbers were given on the piano by Mr. Barkwill, and a guitar and mandolin duet by Miss Georgia Folsom and Mr. B. F. Scott, was also very gratifying to the audience.

The new firm will make a specialty of the Chickering, Weber and Kimball pianos, and have a \$5,000 stock of instruments now on hand.

### FUNERAL TOMORROW.

Joseph Allen, the Victim of Show Day, Will Be Buried Here.

This morning the undertaking firm of Baker & Folsom, who have in their charge the body of Joseph Allen, who was killed at the show grounds yesterday, received a phone message from Norris & Rowe asking them to have the man buried in a decent manner and that they would stand the expense of the funeral and send the money down this evening. Accordingly the funeral will be conducted from the parlors Friday morning at 8 o'clock, the Rev. Brooks, of the Christian church, officiating. Interment will be made in Olney cemetery.

Word was sent to the sheriff last night that the name of the man killed yesterday was Joseph Allen, and that he had a brother and a sister living at Padma, Mass. The man first joined the show from that place, and the management further stated that it would stand the expense of a burial, or would ship the remains back to the people if it was so desired. As yet no word has been received from

the relatives, and it was decided to proceed with the funeral, and if it was so desired, the remains could be exhumed and shipped when called for.

### SONS OF HERMAN BANQUET.

Members of the Order From Washington Visit the Local Lodge.

The Sons of Herman had a reunion and banquet last night in honor of some of the visiting brothers from the sister state of Washington. After the regular meeting of the lodge the party adjourned to the Golden Rule hotel, where a supper was spread, and the delegation made merry till the wee sma' hours of the morning.

Those present from outside of the city were, August H. Springer, of Seattle, grand president of the Sons of Herman for the state of Washington, and also the second national grand vice-president; George Retzer, of Walla Walla, the first grand vice-president of Washington; A. Bachtold, ex-president of the Walla Walla lodge; John Bachtold, the president of the Walla Walla lodge, and Louis Kan, of Walla Walla. The visitors left this morning for their homes, after having had a most enjoyable visit with the local lodge.

### INDIAN CELEBRATION.

Umatillas Extend Their Festivities Throughout the Week—Horse Racing the Main Feature.

The Indian celebration at the reservation, which was inaugurated on the Fourth, continues unabated. The savages are yet encamped on the picnic grounds, near the Mission and engage in horse racing and feasting, to the amusement of a crowd of visitors, which go daily to witness the progress of the Indians' patriotic feeling.

Arrayed in their gaudiest robes, they take great pleasure in parading before the visitors, and for the instant all the effect of the long siege of civilization disappears and they are just plain savages again. Many people from this city have enjoyed the novel sights on the camp ground, during the past week.

## ANNUAL REPORT

### SCHOOL BOARD BEGINS ANOTHER YEAR.

District in Debt But \$2,111.60—Purchase of Old Academy Building Cause of Indebtedness—Over 1500 Scholars in District.

For some time John Halley, Jr., clerk of the school board has been at work on his annual report and has at last completed it. By its results he has found the district to be in debt \$2,111.60. This is due in part to the purchase of the old academy building and grounds, for had the board not bought that property it would have had the \$3,390 paid for it to apply on the outstanding claims. The report is as follows:

Balance on hand July 1, '02	\$ 1,421.23
State, county and district tax received	16,688.63
Total receipts	\$18,109.86
Warrants redeemed	\$16,941.24
Cash on hand July 1, '03	\$ 1,195.62
Warrants issued during the year:	
Teachers' salaries	\$11,556.76
Janitors' salaries	1,039.12
Clark's salaries	240.00
Water	81.30
Fuel	56.25
Insurance	152.15
Real Estate	2,990.00
Repairs	518.27
Interest	1,017.06
General expenses	484.94
Total	\$20,221.45
Outstanding warrants	3,307.22
Cash on hand	1,195.62
Deficit	\$ 2,111.60

While the report shows that the district is in debt to the extent of \$2,111.60 this amount will be brought down some by the payment of a few outstanding claims which the district holds, but in the main the result is as shown by the figures.

The report also shows that there are in the district 1520 children who are between the ages of 4 and 20 years and are, therefore, eligible to the public schools. But while there are that number who are entitled to go to the schools, there are only 1035 children enrolled on the records of the schools of the city.

Of course, not all of the remaining 485 children are out of school, for the private schools of the city, the sisters' school and the academy and the business college are to be considered in the returns.

All of the teachers for the district, with the exception of one, have been elected by the board and all have accepted the positions. In fact, all of the teachers have been elected but one has not as yet been heard from by the board. This is the teacher wanted to fill the place left vacant by the resignation of Miss Parrot who had taught the primary grade last year.

It is the desire of the management of the schools to have a person in charge of this part of the school system, who has made a specialty of that work. Such a person has been found, but it is not known at the present time whether or not she will consent to come on the terms offered.

Outside of the slight deficit the condition of the district is good and the work for the next term will open with excellent prospects for a successful year's work.

### Taken to the Hospital.

Engineer Al Kraner, of La Grande, was taken to St. Vincent's hospital at Portland, on No. 5, last night, to be operated on for appendicitis. Last evening Mr. L. E. Therkelsen gave a concert at his piano house, having secured the colored quartet which has been in the city for some time. During the evening they gave a number of ragtime melodies and old plantation songs, much to the delight of the large number of people who had gathered to hear them. A number of instrumental features were also given, both on the piano and planola. The many friends of the proprietor voted the concert a decided success.
