AERONAUT PROMISES TO GO THIRTY MILES AN HOUR.

Has the Prestige of Having Made a Successful Trip a Year Ago-Expects to Greatly Increase His Speed -Twenty-Four Horse Power Motor.

London, July 10.—A remarkable airship trial is to take place from the Ranelagh Club grounds tomorrow, when Stanley Spencer, the young aeronaut, who salled over the northern suburbs of London last year, will take a new and powerful airship across the metropolis at a speed which may range up to 30 miles an

A distinguished gathering will be present to watch the start. The journey through the air will not be dependent on perfect weather conditions, the great power of the new ship being sufficient. being sufficient to force it through winds which would altogether stop a smaller craft. A storm might de-lay the start but ordinary summer breezes will make little or no differ-

Ship is Ninety Feet Long. The total length of the new ship is

about 90 feet and the breadth in the widest part about 22 feet. Beneath the cigar-shaped balloon is suspended the bamboo framework carrying the one or two passengers, the petrol mo-tor, the screw tractor or propeller, and the rudder. The motor is placed in the front half of the framework, the car in the back half. The pro-peller is fixed in control or the prothe car in the back half. The propeller is fixed in front, the rudder at the rear. Everything is worked from the car by an apparatus similar to that used for operating the brake on

The airship with which the success ful experiments were made last year was of four horse-power, while the new ship is of 24 horse-power. The maximum speed of the former was 10 miles an hour, and of the latter 30 miles an hour. The two-blade screw tractor for propelling the ship is 12 feet in length. The rudder consists of a silk-covered framework. The airship is capable of carrying two passengers, but for the initial trip to-morrow the daring inventor will be unaccompanied.

As to the power of the airship, Mr Spencer says it will be able to go through any wind the velocity of which does not exceed 30 miles ar hour. Extended journeys are plan ned by the inventor, and he says he hopes to provide surprises for th spectators

#### GOOD CITIZENSHIP DAY.

Christian Endeavor Convention Denver Discusses Civic Issues,

Denver, Col., July 10.—This was tian Endeavor convention. At nearly all the meetings of the day the reports, addresses, presentations an songs tended toward the subject, an the leading speakers, among ther District Attorney Joseph W. Folk, of St. Louis were men whose fame the result of their efforts for munic pal and state reform,

Many thousand delegates began the day, as they did yesterday, with devotions. Morning prayer meetings were held in a score of churches at 6:30 o'clock. Many impromptu meetings were held on the streets, and many a toller in store or factory lingered to take part in the services on the way to work. An hour before on the way to work. An hour before the entrance to Tent Endeavor was opened, City Park was thronged with several thousand persons who sang Endeavor songs while they waited for the services to begin. The big tent was the scene of an almost continu ous session throughout the day, the addresses of eminont speakers being interspersed with prayer and with stirring Christian hymns. One of the most interesting and novel features of the gathering is scheduled for to-night, when several thousand of the enthusiastic young delegates will as-semble on the steps of the Colorado state capitol and unite in singing the stirring songs for which the organiza tion is famous,

CHAPMAN IS RE-ELECTED.

Overflow Meeting Held in the Atlan ta Churches.

Atlanta Ga. July 10.—This has been another busy day for the delegates to the international convention of the Baptist Young People's Union. A large number attended the sunrise meetings, which were held in the dif-ferent churches between 6 and 7 o'clock, but owing to the warm weather the large majority waited until later in the day to offer their devo

There was no room to spare in the There was no room to spare in the mammoth meeting place when President Chapman called the convention to order. The features of the convention were the election of officers and the reports of state work. It was generally conceded that John H. Chapman of Chapman, of Chicago, would again be selected as president, and when the nominating committee presented his name he received an ovation. After Assets
