Deafness Can Not Be Cured
by focal applications as they can not reach
the discussed portions of the ear. There
is only one way to care deafness, and that
is by constitutional remedies. Deafness is
caused by an inflamed condition of the
mineous liming of the Eustichian 1906.
When this title is inflamed you have a
rimilling sound or imperfect hearing, and
when it is entirely closed, deafness is the
result, and unless the inflammation can be
raken out and this title restored to its
normal condition, hearing will be destroyed
forever; since cases out of ten are caused
by Catarrit, which is noting but an innamed condition of the means surfaces.

We will give One Hundred bollars for
