THOUSAND HORSES

WILL BE SHIPPED FROM ECHO TO ALBERTA, CAN.

W. F. Matlock Has Bought an Idaho Farm Valued at \$11,800—M. H. Gillette Has Purchased Echo Property Valued at \$30,500, and Will Conduct a Dairy Farm.

W. H. Babb and M. H. Gillette left this morning for the Palouse country, near Moscow, where the former will take charge of the ranch there which the latter has sold to W. F. Matlock, of this place. After the transfer has been made and the matter closed up, Mr. Gillette will move his household effects to this country, where he will occupy the Babb ranch, at Echo, which he has bought of W. E. Matlock in the same deal.

In short, Matlock and Gillette have made a double swap by which Matlock gains the Palouse ranch and Gillette the Matlock property at Echo. There are 160 acres of land in the former property, all under cultivation, with houses, barns and implements and well stocked. In addition to this the farm carries with it a wheat crop from 600 acres on land adjoining that has been leased and worked by the owner. The consideration for the farm and crop was \$11,800.

Gillette, on the other hand, bought the Echo ranch of 508 1/2 acres at \$59 an acre, together with 239 head of cattle at \$22 a head. The land will bring \$25,436 and the stock \$5,060. In addition to this there are a lot of horses on the place and all kinds of implements and conveniences for the working of the place.

It is the intention of the purchaser to conduct the place as a dairy ranch and he will attempt to make it as large a dairy farm as there is in the county.

Mr. Babb, who has occupied the place for years, will go with a large shipment of horses to Canada, where they will be sold in the general market to the settlers of that country. Mr. Matlock and Sparks, a man from Alberta, will ship from 700 to 1,000 head of horses from Echo to Moosejaw in the Alberta country, the last of the coming week, where they will be put on the stock ranch of the latter named man, where they will be held for sale. The stock are all meant to be heavy bred from the range and suited for the work on the farms of that section. Mr. Babb will return to this country after the arrangements for the sale have been made, but it is not known yet where he will locate.

Returned From Camping.

John Wynne, Tex Langiver and James Doty have returned from a camping trip of several weeks in the mountains. They went to the head of Desolation creek as far as is ever gone with a wagon, and camped there for a week. On their return they came by way of Hildaway and Lehman Springs, camping at the latter place for a week. Every evening that they were camped at the first place there was frost on the ground in the morning, and several times they found ice frozen in the morning. They had good luck with the trout and come back well pleased with the trip.

Mrs. Nye is Away.

Mrs. A. W. Nye is the great of friends in Portland and at Seaside. From the latter place she will go to Tacoma, where she will visit her daughter, Mrs. Lachlan Macleay, for a month. While the guest of her daughter, they will visit various points on the Sound and it is probable that they will extend the trip to Alaskan points.

Contest Ends Saturday Night.

The guessing contest being conducted by M. A. Rader, the furniture dealer, in which \$50 in prizes will be given away will close Saturday evening. Mr. Rader is well pleased with the result of the contest, as his many patrons have taken great interest. However, there will be many surprises when the answers to the puzzles are made known.

Asked for Water and Was Given Contents of the Wrong Cup by Older Sister.

Athena, July 21.—Yesterday the little daughter of Charles Gay, about 1 1/2 years of age, asked for a drink and was given some gasoline by an older sister, mistaking it for water as it sat in a cup on a window or table.

Her father ran to the drug store with her, where by prompt action of Dr. Botkin, she was soon resting easy and is out of danger.
