LARCENY CHARGED

WEBB, ALIAS STEVENS,
HAS BEEN ARRESTED.

is Accused of the Theft of a Team, Buggy and Harness From a Free-water Liveryman—Sold the Property in Pendleton and is Now in Jail.

A man giving his name as H. W. Stevens, is in the county jail charged with the larceny and sale of a team, buggy and double set of harness from the livery barn of White, at Free-water.

Sunday morning Stevens came into the barn and hired a double rig, saying that he wanted to go to Weston for the day. When he had received the team he drove to Pendleton and proceeded to sell the outfit to men about the city. He sold the buggy to Robert Patton of the O. K. Feed Yards for \$1.00 in cash and a week's board for his team.

M. J. Carney bought the team for \$40, and the harness has not as yet been located.

When it was found that Stevens had not gone to Weston as he had stated he would, the owner of the team at once followed him to this city and notified the police that the man had made away with his team. The man was seen on the street by the marshal a short time afterward and taken in custody. He is now in the county jail awaiting the action of the justice court. In the absence of Judge Fitz Gerald it is not known whether he will have his examination before that gentleman returns from Portland, where he is attending the Red Men convention.

The real name of the man charged with the offense is Webb, though he gave the name of Stevens in the bill of sale when he sold the horses.

GRAIN COMING IN.

Mill Grades of Wheat Higher Priced Than at the Opening Last Year.

The wheat has begun to come into the city, and the barley has been coming for some time, but it is in such small lots as yet that there is not much attention paid to it. The furnish warehouse has been receiving about 500 sacks each day for several days, but this is both wheat and barley, so that it is seen that the hauling has not yet really commenced.

At the Fyers mill there is nothing doing in the storing line, and there will not be for some time. A little is coming in from day to day, but it is not enough to count. The price paid for the mill grades from 60 to 65 cents for wheat, according to the kind and quality. This is much higher than at this time last year, as the price at that time was from 45 to 50 cents.

The price of barley is yet undecided, and no definite quotations are being made. The growers all want to hold, and the market is not yet old enough to want the grain bad enough to bid high for it. It is probable, however, that the price will be higher than it was last year at this time.

SEEKING A DIVORCE.

Charles Griffin Sues to Have the Bond of Matrimony Dissolved.

A divorce suit was filed this morning by Charles Griffin through his attorney, J. T. Hinkle, against his wife, Zedie Griffin.

The plaintiff alleges that he and the defendant were married November 16, 1902, and that soon after that date the defendant deserted the plaintiff and has since continued to live apart; that the defendant keeps company with other men and that at one time in pursuance to the request of the defendant the plaintiff kept an appointment on the Morrison street bridge at Portland, and that he went in hopes of a reconciliation with his wife, but that she met him with a burly ruffian who willfully and maliciously beat and humiliated the plaintiff much to his chagrin and humiliation.

Wherefore, the plaintiff asks for an order from the court dissolving the bonds now existing. The defendant's name before marriage was Zedie Simmons.

OLD FOLKS' EXCURSION.

Sumpter Valley Railway Has a Unique Picnic Party.

For several years past the Old Folks' excursion has been a strong feature of the management of the Sumpter Valley Railway Company, says the Baker City Democrat. This year it will not go to Sumpter as heretofore. The aged guests of this railway will be treated to a trip to La Grande instead. The Sumpter Valley Railway owners have chartered a special train from the Oregon Railway & Navigation Company. This train will leave this city on the morning of August 15, returning in the evening.

All persons who have reached the age of 65 years or more and who apply for and are furnished tickets, are eligible for the trip. A committee of ladies has been selected who will accompany the excursionists and look after their comfort.

No one except the old people, the committee of ladies and invited members of the press will be allowed on the train, and even those must be supplied with tickets.

All kinds of imported and domestic lunches and clam chowder at Gatz's.

REBATE CLAUSE.

Taxpayers Have Taken Advantage of it to the Extent of \$4,385.40.

The taxpayers of the county have saved for themselves and wrested from the coffers of the county \$4,385.40, as a result of having taken advantage of the rebate clause in the tax law. Up to March 16th the sheriff received \$148,783.64 in taxes, which will be three per cent less than the levy. This three per cent is the amount saved. A great deal of money has been paid since that time, and the taxes are well along in the list, few people seeming to have an intention of allowing their payments to become delinquent.
