

Ask Your Doctor

He will tell you—
That barley-malt is a half-digested food, as good as food can be.
That hops are an excellent tonic.
That the little alcohol in beer—only 3 1/2 per cent—is an aid to digestion.

But Purity is Essential

But he will tell you that beer must be protected from germs, and brewed in absolute cleanliness.
He'll say, too, that age is important, for age brings perfect fermentation. Without it, beer ferments on the stomach, causing biliousness.

Schlitz beer is brewed with all precautions. It is the recognized standard all the world over, because of its purity.

Ask for the Brewery Bottling.

Hooker & Co., Buffalo, N. Y. F. W. Schmidt & Co., druggists.

SCHOOL REPORTS

EASTERN OREGON COUNTIES SHOW BETTER CONDITIONS.

Teachers' Salaries Increased All Along the Line—Number of Teachers in Decreasing Shows Higher Efficiency and Less Dissatisfaction.

Salem, Ore., July 30.—Superintendent Ackerman yesterday received annual reports from the school superintendents of Grant, Malheur, Morrow and Wasco counties.

The Grant county report shows a slight falling off in attendance for the year, there being but 1317 pupils in school last year, whereas there were only 1230 this year. There were also 44 organized districts last year, and only 42 this year, and there were only 72 teachers employed this year, against 75 last. The report also shows that the salaries of the women teachers have been raised from \$43.70 per month to \$46.42, and those of the male teachers from \$49 to \$51.20.

In Malheur county there has been an increase in attendance from 1961 to 1115, with two newly organized districts and four new school houses, also two new ones last year; but the number of teachers has not increased, there being only 42 employed. The salaries of the women teachers have been increased from \$41.75 to \$42, while those of the male teachers have been raised from \$53.90 to \$62.75.

In Morrow county there was a slight falling off in attendance from 1368 to 1340, and a great reduction in teachers from 93 last year to 79 this year, although the salaries of the lady teachers were increased from \$40.33 to \$42.76 per month, and the males from \$49.30 to \$52.32. There were two new schoolhouses built during the year. Superintendent Shipley says that his report was delayed on account of the flood.

The Wasco county report shows an increase in attendance from 3373 to 3429 pupils, but a slight falling off in teachers employed, from 160 last year to 144 this year. Two districts have been dropped from the list and three new school houses were built during the year. The report also shows an increase in the male teachers' salaries from \$47 per month last year to \$57.44 this year, while those of the women teachers remain practically the same.

GENERAL BLACK LEADS.

Succession to G. A. R. Commandancy Seems to Be Settled.

San Francisco, Cal., July 30.—Though it is several weeks before the veterans in blue will invade San Francisco for the annual national encampment of the G. A. R., much gossip is arriving here concerning the forthcoming contest for the head of the famous organization in succession to Commander-in-Chief Thomas J. Stewart, of Pennsylvania. At the Washington encampment last year at which General Stewart was chosen commander-in-chief his leading opponent was General John C. Black, of Chicago and General Black is again a leading candidate for the honor.

Advance delegations that have reached here to arrange for the coming of their comrades state that the election of General Black seems already assured. The state encampments of Illinois, Indiana, Wisconsin, Minnesota and other states of the Middle West have been instructed for him. At the same time the names of several other prominent veterans are mentioned and it is possible that a dark horse may win the race as has been the case more than once before in the history of the organization.

Deafness Can Not Be Cured

By local applications as they can not reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; also causes ear-ache and is caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circular free.

NEW COLLEGE PRESIDENT.

Dr. Storms Now in Control of Iowa State College.

Ames, Iowa, July 30.—Dr. B. A. Storms, recently elected to the presidency of Iowa State College, was today formally received by the faculty of that institution. Tonight a banquet is to be given in his honor to which leading state officials, educators of Iowa and friends and alumni of the state college have been invited. The new president leaves the pulpit to become an educator, having formerly been a pastor of Methodist churches in Madison, Wis., and Des Moines, Iowa. He is a graduate of the University of Michigan.

EXPENSIVE COURT HOUSE.

Structure in New Jersey That Cost \$550,000.

Elizabeth, N. J., July 30.—Speeches and other ceremonies accompanied the laying of the corner stone today of the new \$550,000 court house for

Union county. The laying of the stone was conducted by the Masonic Grand Lodge of New Jersey, and speeches appropriate to the occasion were delivered by United States Senator John Keane, former Governor Foster M. Voorhees and others.

The new edifice is designed to be one of the most magnificent and costly structures of its kind in the entire country.

MONMOUTH'S HORSE SHOW.

Some of Finest Equines in America on Exhibition.

Long Branch, N. J., July 30.—Society today deserted the beach, the tennis courts and golf links for the attractions of Hollywood Park, where the tenth annual exhibition of the Monmouth County Horse Show association opened under brilliant auspices. Nearly all the leading stables of the East are represented among the entries. Prizes have been provided for upwards of 40 classes, embracing every type of driving and riding horses. Both as a society event and as an exhibition of blue-blooded equines the present show promises to far eclipse the exhibitions of former years. The show will continue daily through the remainder of the week and a large attendance is assured.

MACKEREL SCARCE.

No Trace of the Fish Anywhere on the Atlantic Coast.

Boston, Mass., July 30.—According to reports of returning fishermen mackerel are about the most difficult fish to find and catch this year of any sort fishermen go after. Schooners have scoured the Georges, the Bay of Fundy and the Maine coast without success. It appears from what they report that the schools of fish supposed by some to be mackerel are really herring or porgies. In places the waters swarm with these varieties, but not a sign of mackerel.

Educational Topics Discussed.

Monteagle, Tenn., July 30.—At today's sessions of the Tennessee Teachers' Association meeting papers and addresses were presented as follows: "Needed Changes in Our Curriculum," R. L. Jones, Chattanooga; "What Shall Be Tennessee's Next Step in Educational Progress?" S. A. Myrders, state superintendent of public instruction; "Ways and Means of Establishing and Maintaining Rural School Libraries," J. I. Allman, Dover; "Literature in the Grades," Prof. J. L. Brooks, Jackson.

Shooting Tourney at La Crosse.

La Crosse, Wis., July 30.—The interstate association tournament for which the La Crosse and Viroqua Gun Clubs have been preparing for a long time opened today and will continue through the remainder of the week. The long list of prizes offered has attracted a large number and high class of entries, among the celebrities being W. R. Crosby, Fred Gilbert, Rollo Helkes, J. L. Head and Herman Hirschy the winner of the 1902 Grand American handicap live bird shoot.

Assembly of Methodists.

Altoona, Pa., July 30.—The annual reunion of the Methodists of Central Pennsylvania began here today at Lakemont Park. The speakers include Rev. Thomas J. Leak, of Pittsburgh; Rev. J. M. Yeager, of New York; Thomas H. Murray, of Clearfield, and Rev. C. E. L. Cartwright, of Scottsdale.

Health and Pleasure.

When one goes to Lehman Springs there is every assurance that not only will one's health be benefited by the pure, bracing mountain air and bathing to be enjoyed there, but also while gaining health one can enjoy a great variety of pleasure ranging from hunting and fishing to bowling and golf. C. R. Dutton has sustained his reputation as a capable host by the manner in which he is providing for the comfort and pleasure of his guests.

Farms for Sale.

We now have listed for sale some of the best wheat farms and stock ranches in the county. The stock ranches can be sold either with or without the stock. All the places are well improved and well supplied with water. Also some very desirable city property, including new modern residence on north side of river. Call and get prices.

BENTLEY & HARTMAN.

Store For Rent.

I am planning to erect a two-story brick block on the corner of Webb and Cottonwood streets. Before I build I would like to secure a renter for the upstairs and downstairs either separately or together, so that in building I can arrange the building to suit the renter. Those desiring to rent call or address R. Martin, at his grocery store.

No Pity Shown.

"For years fate was after me continuously," writes F. A. Guldage, Verbena, Ala. "I had a terrible case of piles causing 24 tumors. When all failed, Bucklen's Arnica Salve cured me. Equally good for burns and all aches and pains. Only 25c at Tallman & Co.'s drug store."

Ringling Bros' World's Great

Show at Walla Walla, August 13. For the above occasion the O. P. & N. Co. offers a reduced rate of \$1.50 for the round trip. Tickets on sale August 13, good until August 14th returning. For further particulars call on or address F. F. Wamsley, agent.

Bright's Disease

Not Rare, but Common—All Kidney Disease is Bright's Disease
—The 8th to 10th Month it Becomes Chronic and Incurable by All Known Means Except the new Fulton Compounds, which Record 87% of Recoveries.

We have before us a little work on kidney diseases by Joseph P. Edwards, M. D., of Philadelphia, that contains some things that every one ought to know. Many people imagine Bright's Disease is rare, when, in fact, it covers the whole gamut of kidney diseases. This book sets out that the kidneys have but one function, viz., the elimination of the urea and waste products, and that all interferences with that function are called Bright's Disease. Dr. Edwards adds: "For the benefit of my class who may read this book I will give a list of the cases which I attribute to Bright's Disease, viz.:

- Albuminuria.
 - Congestion of the Kidney.
 - Dehydration of the Kidney.
 - Fatty Degeneration of the Kidney.
 - Inflammation of the Kidney.
 - Trismus.
 - Disease of the Kidney."
- Thus, all kidney disease being Bright's Disease, the serious question is, is it acute or chronic? In other words, is it the primary or secondary stage? After the eighth to tenth month it becomes chronic and is then incurable by all known means except the Fulton Compounds. The kidneys are not sensitive. There is often no notice of the trouble till it has already fastened. If you have kidney disease in the first stage the Fulton Compound will cure it quickly. If it is of more than 8 to 10 months standing it is the only thing known that will cure it. In proof that nothing else will we cite all medical works as evidence that to this time there has been nothing that cures Chronic Bright's Disease. The stockholders of the John J. Fulton Co., business and professional men of San Francisco, are the first people in the world to announce a positive cure, presenting a definite percentage of recoveries (87 per cent), and giving out the lists of the cured, all among purely chronic, well-defined cases. If you have any kind of kidney trouble, there is only one thing to do, take the Fulton Compound for Bright's Disease \$1.50 by Diabetes, \$1.50 John J. Fulton Co., 406 Washington street, San Francisco, sole proprietors. Free analyses for patients. Pamphlet free. We are the sole agents.

"The Breakers"

Where to Stop at North Beach

The Breakers Hotel is conducted to attract the best patronage and is a summer hotel that is unsurpassed on the Pacific Coast north of the famous California beach resorts.

The building has an ocean front of 100 feet, is 76 feet wide and four stories high, or 73 feet from the ground floor to the top of the observatory.

It has handsomely furnished rooms, single or en suite, for 300 guests, each room being carpeted.

The house is lighted by electricity with electric lights and electric call bells in every room, and these lights make it one of the most brilliant beaches on the entire coast.

The entire lower floor is thrown open to the public, and is beautifully carpeted, the spacious reception room and large airy halls always form favorite gathering places for guests. The billiard and pool room is also quite popular for merry gatherings.

An Aeolian and Pianola in the commodious parlor furnish delightful music at all times, and musicals are pleasant features during the entire season.

The Breakers has a regular orchestra which furnishes music for informal dances and balls, and the large dining room, with its smooth, hard floor, makes an ideal hall for regular dancing parties.

An abundance of fresh and salt water fish, clams, oysters, crabs and other sea food is always on our menu; our entire supply of milk, butter and cream comes from our own herd of Jersey cows and poultry and eggs are supplied from the hotel farm adjoining the grounds.

There are hot and cold, fresh and salt water baths in the house, with private baths and toilets.

The waves of the ocean at high tide roll within 200 feet of the hotel, and the beach in front is superb for surf bathing.

On the grounds are bowling alleys, golf links, tennis courts, croquet sets; on the lakes, just back of the hotel, is a fleet of sail and rowboats, and on Shoalwater Bay, just east of the lakes, is gasoline launch for parties of fishermen, picnickers or others who prefer the warm, still-water bathing to the tumbling of the surf.

All trains stop at the railroad station in the hotel grounds, and no crowding into hotel omnibuses or walking in sand is necessary since the hotel ground is a perfect velvety lawn, where the guests are practically landed at the hotel door.

The Breakers Hotel is located at Breakers Station, a regular ticket office, where all trains stop. It is one and a half miles north of Long Beach Station.

In purchasing tickets see that they read to Breakers, Wash and have baggage checked through to that point.

Telegraph and telephone connections in the hotel.
