TWO NEW FIRMS FOR PENOLETON

Krassig & Sharp Open New Barber Shop, Bond & Sullivan, Furnishing Goods.

NEW SHOP WILL BE IN ED EBEN'S OLD QUARTERS.

Furnishing Goods Firm Will Occupy Billy Krassig's Present Quarters-All the Young Men Well Known, and Start New Business With Promises of Great Success,

Pendleton will soon have a consolidated burber shop, making one of the finest in the city, and a new store on entirely new lines. The deal has been on the carpet for some time, and the leases were all signed this afternoon and the thing settled.

The room on the west side of Main street recently occupied by a branch of the Peoples Warehouse has been leased by William Krassig and James Sharp, and they will consoli-date their two shops, making one first-class shop. The new firm will install sex chairs and will make the place first-class in every way. The back part of the room win be fitted up with tubs and showers and all the paraphernalia of a first-class house. Before the place is opened the rooms will be remodeled and renovated, so that when it is opened for business it will be the most commodious and the finest place in the

Men's Furnishing Goods,

Charles Bond and J. W. Sullivan will take the place left vacant by will take the place left vacant by Krassig's removal and will put the room in fix to receive a stock of men's collars, shirts, ties and sun-dries. They will have the agency for several of the leading tailoring establishments of the East, and will curnish tailor-made clothes to the public for the same price that would se charged for a custom-made suit of

the same grade. The new firm will also have a first class tailor in their employ, and wall do the alterations for the leading furnishing houses in the city, and will silso carry on cleaning and press-ing parlors. They will for a stated sum call for one suit a week and return it after having cleaned and pressed it. in the last 20 years. The nearest to that amount in the stated period was

with the exception of the stock of shirts and sundries there will be nothing in the room but the tailoring outfit for all of the work in the clothing line will be done by samples. It will be the aim of the firm to give perfect lits in all suits, and the 26 years of 137.593.

The appartionment this year is made at the rate of \$1.66 per capita against \$1.55 last year and \$1.22 in 1991.

The school consister and access the rate will be corrected by the taller.

As there is a good field in this No. Amount for such a business, Messrs Sullivan and Bond expert to accure their share of the trade, and to do well in their venture. Mr. Hond will go to Portland in a day or so to buy the stock necessary for the new place, and Mr. Sullivan will superintend the putting in of the shelving and fixtures of the

Mr. Krassig expects to move in a week or two at the latest, and as soon as he is out of the place it will be remodeled for the reception of the
