CENTRAL COUNCIL

ELECTION OFFICERS AND SELECTION COMMITTEES.

In Making Arrangements for the Observance of Labor Day, September 7—A Program Will Be Given and the Day Will Be Made a Success.

At the regular meeting of the Central Trades and Labor Council, last Saturday night, the officers for the ensuing term were elected and committees were appointed for the government of the body. They are as follows:

E. H. Trampleasure, Wool Sorters and Graders' Union, president; Ed Eben, Clerks' Union, vice-president; W. Sullivan, Wool Sorter and Graders' Union, recording secretary; W. G. Hodder, Carpenters' Union, financial secretary; F. Marsh, Federation of Labor, treasurer; McEwen, Federation of Labor, conductor; C. N. Winslow, E. H. Trampleasure; C. Brubacher, A. Zoellner, C. L. McGinnis, P. McBrien, executive committee; E. H. Trampleasure, press committee; W. G. Hodder, W. Sullivan, McEwen, George Ferguson, Doc Rudd and C. Brubacher, organizing committee.

The Trades Council has under advisement the holding of a monster labor day celebration in this city on Labor Day, September 7, at which time a good program will be given, and many features of interest will be presented to the public. Plans are now under consideration by the committee having the matter in charge, and they are working on the program, which will be given to the public as soon as completed. The various labor organizations of the city and the surrounding towns will be asked to participate, making a celebration such as the city has not seen for some time.

The different orders of the city will start the ball rolling and it is expected that enough money can be raised to make the plan a success beyond the shadow of a doubt. It will be a few days yet before the matter is got into definite shape, but the committee is working hard on the matter and is sure of success.

AT SHIELDS' PARK.

Jessie Orr, Song and Dance Artist, Arrives to Take Part in the Program.

In addition to the new features for Shields' Park, announced in Saturday evening's issue, for the coming week, Manager Nelson desires to say that Jessie Orr, the premier song and dance artist of the coast, who has just finished a successful week at Walla Walla, has arrived and will appear at the park each night during the week. The famous monoped, Earnie and Honegger, and the fun-provoking monologist, Dan McCreavy come highly indorsed and the program for the next six nights promises to be better, if possible, than ever.

Stage changes are now being made and the park will be improved constantly, as the introduction of new features demand. There is no Sunday performance, as the management is determined to maintain the high moral standard of the entertainment.
