NOTES FROM ECHO

TWO CARS OF FAT CATTLE BEING LOADED TODAY.

Factory for Manufacture of Water Hoist Being Enlarged—Mr. Davis of Butter Creek Will Build a Dwelling—Mrs. John Barker Elected Delegate to M. E. Conference.

Echo, Ore., Aug. 11.—T. C. Benson, the Portland cattle buyer, is loading two cars of fat steers here today, which he purchased of Robert Standfield.

F. B. Van Cleave returned from Pendleton this morning and has commenced enlarging his building for the manufacture of his water hoisting machine which he recently patented.

Echo also has another inventor. C. S. Mudge, station agent for the O. R. & N., has invented a simple contrivance which extends the length of an ordinary pipe stem, about three fold, without apparently making it any longer. It also prevents any nicotine passing to or from the pipe. This no doubt, will delight every smoker of tobacco and will doubtless be a remunerative invention. Charles H. Miller is interested with him and together they have applied for a patent.

The little son of C. S. Mudge is seriously sick with ebberia infantum.

At a meeting of the Citizens Association held last night at the office of L. A. Esteb, a committee consisting of John Dorn, Amos Hammer and Frank Spike was appointed to ascertain whether or not the American Hare Packing & Cold Storage Co. had complied with their contract and were entitled to their deed.

The committee is to report to the association tonight at 8 o'clock, and if their report is favorable, the deed for the grounds on which their buildings are located will be transferred in fee simple.

The Ladies Aid Society of the M. E. church, will give another of their delightful ice cream socials tomorrow night at Masonic hall.

Delegate to Spokane.

The members of the M. E. church, at a meeting last night, elected Mrs. John Barker a delegate to the M. E. Conference which meets at Spokane on the third of September, next, and tries Rev. Nicholson, the celebrated Colfax preacher.

Fifteen Hundred Dollar Dwelling.

T. C. Howard is in today from Butter Creek to take out the finishing lumber for his new \$1,500 residence which is nearing completion.

Mr. Davis also of Butter Creek, will in a few days commence the erection of a fine residence.

Thousands Have Kidney Trouble and Never Suspect it.

How To Find Out.

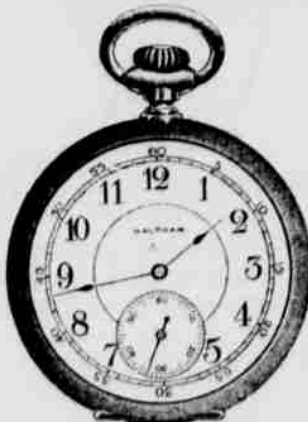

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
