CHILD'S CORPSE IN CAN.

Couple Whose Boy Shot Himself Accidentally Carry Body on Train.

Monongahela, Pa., Aug. 21.—The bloodstained corpse of a 5-year-old boy was discovered yesterday by the baggage man on a Pittsburgh, Virginia & Charleston railroad train en route to Dravosburg. The body was packed tightly in a large coffee can and was wrapped in the blood-soaked folds of a woman's dress. The only mark on the body was a bullet hole in the breast. The can was deposited in the baggage car at Watersburg by a man and woman who said they would take it off at Dravosburg, their destination. When Dravosburg was reached the couple were arrested. They said their names were Mr. and Mrs. Isaac Jubler, of Tucker, and that the boy was their son, who had accidentally shot himself with his father's revolver. When they found he was dead they decided to keep the matter quiet and bury him privately at Dravosburg.

"THE CHRISTIAN."

Hall Caine's Masterpiece to Open the Season September 1.

The event of the theatrical season in Pendleton will be "The Christian," which opens its engagement at the Fraser theater September 1. The production has the reputation of being the finest leaving the East this year.

The story of the play is almost too well known to require repetition. It opens on the Isle of Man. The daughter of a clergyman (Glory Quayle) has won the heart of John Storm, a man of position, the son of a lord who has an ambition that his boy turn his talents to politics.

John Storm has grown to manhood, with the possibilities of his position for a life of ease and one of honor in his grasp, but he sees more in life than the mere glory of a political campaign. With a heart burning to uplift humanity, to follow the steps of the lowly Nazarene, and go among the fallen and the outcasts of the human race, he finds but one obstacle in his path, the love for his playmate, Glory.

"Were you ever stage struck?" asked the romantic maid. "No," replied the practical youth, "but I was run over by an automobile once."—Chicago News.

PAINFUL PERIODS

are overcome by Lydia E. Pinkham's Vegetable Compound.

Miss Menard cured after doctors failed to help her.

"Lydia E. Pinkham's Vegetable Compound cured me after doctors had failed, and I want other girls to know about it. During menstruation I suffered most intense pain low in the abdomen and in my limbs. At other times I had a heavy, depressed feeling which made my work seem twice as hard, and I grew pale and thin. The medicine the doctor gave me did not do me one bit of good, and I was thoroughly discouraged. The doctor wanted me to stop work, but, of course, I could not do that. I finally began to take Lydia E. Pinkham's Vegetable Compound and felt better after taking the first bottle, and after taking six bottles I was entirely cured, and am now in perfect health, and I am so grateful for it."—Miss GEORGE MEXARD, 537 E. 152nd St., New York City.—\$1000 worth of copies of above letter proving genuineness cannot be produced.
