NEWS OF ATHENA

NEW HARNESS SHOP BEEN OPENED BY MR. ELLSCAMP.

A Formerly-of-Pendleton Man Will Manage Mines at Butte—Relating to the Women of Woodcraft Memorial at Heppner—Blacksmith's Eyes Injured—Marriage of Popular Young People—Several Cases of Illness—Delegate to Spokane.

Athena, Ore., Aug. 26.—Mr. and Mrs. Ellscamp and family have just arrived here from Portland with the intention of making Athena their future home. The family is now domiciled in one of W. Kilgore's cottages and Mr. Ellscamp has opened a harness shop in the building east of Miller's new brick.

Ed C. Allen, formerly a business man of Pendleton, has been offered the management of mines at Butte. Mrs. E. A. Boyd arrived in Athena from Milton Monday and will make this city her future home.

The July number of the Pacific Echo, the official organ of the Women of Woodcraft contains a touching memorial of the 10 members of the order who lost their lives in the Heppner disaster. The memorial is in the form of a great, rugged monument, signifying endurance and strength, upon which is placed a scroll bearing the following names: Leonora Estes Rhea, Lonella Gurdane, Mary A. Kernan, Mary Krug, Mina A. Long, Hannah B. McBride, Mary Matlock, Martha Salling, Ava Thurston and Florence French.

Miss Elsa Rosenzweig left for Spokane Tuesday, where she will remain for a fortnight.

Master Rudolph Proebstel, of Nampa, Idaho, is visiting his aunt, Mrs. Clarence Whiteman.

Miss Bessie Watts, of Pendleton, was a guest of her parents, Mr. and Mrs. William McBride. She returned home Sunday accompanied by her sister, Miss Edythe McBride.

Robert Tharp received a painful but not a serious injury a few days ago, while doing some blacksmithing. An iron bar flew, hitting him in the face, injuring both his eyes.

Mrs. O. C. Beck is ill at her home in this city. She had been sick for about a week, but is some better at present.

Albert Bales left Thursday for The Dalles, Portland and other points where his mother, Mrs. Walker, has also been visiting.

Mrs. P. E. Colbern is suffering from a severe attack of erysipelas at her home at present. Sheriff Till Taylor and Miss Mossy, of Pendleton, were guests at the home of his parents, Mr. and Mrs. David Taylor, of this city.

Miss Edna Owens arrived home Sunday morning from Hood River valley, where she has been spending the summer.

Henry Schmitt has been elected delegate from the Methodist Episcopal church of this city, to attend the annual conference at Spokane next week.

William Mosgrove made a trip to Portland this week.

Beck-Nelson.

At 3 o'clock Sunday evening at the home of Mr. and Mrs. O. C. Beck, a very pretty home wedding occurred, when the nuptials of Charles H. Nelson and Miss Catherine E. Beck were solemnized. The rooms were tastefully decorated with cut flowers and potted plants. The bride was attired in white silk mull and carried white carnations. The groom was dressed in conventional black. Miss Elsa Rosenzweig, the bridemaid, looked handsome in white and baby blue, and carried a bouquet of bridesmaid roses. Roy Beck, brother of the bride, acted as best man. Rev. W. E. Armfield performed the ceremony, after which an elaborate dinner was served. The following guests were present: Misses Edna Rider, Nellie Foss, Bessie McBride, Winnie Gerking and Messrs. Lee McAtee, Harry Rosenzweig and Henry Dell; Mr. and Mrs. N. H. Pinkerton, Mr. and Mrs. D. A. Pinkerton and Mr. and Mrs. O. C. Beck, Jr., and Mr. and Mrs. J. W. Pinkerton. The young couple left on the 5 o'clock train amid showers of rice, old shoes and good wishes for their home near Pendleton.

Grocery Business Sold.

York and Henry Dell have purchased the grocery stock and business formerly owned and controlled by Shick Brothers and Edward Koontz, under the firm name of Shick & Co. The transfer was made Saturday and the new firm, Dell Bros., opened Monday morning. The two young men are well and favorably known in Athena, where they have grown to manhood.

Of the members of the retiring firm, Mr. Koontz will probably engage in farming. He has long been in the grocery business in Athena, and has been very successful in that trade. As to what the said brothers will do is not known at present.

Arm Fractured Twice.

Eva, the little daughter of Mrs. Walker Wilson, who broke her arm some time ago, fell Saturday causing a second fracture in the same place.

A FACT PROVEN.

Should Convince Even the Most Skeptical of its Truth.

If there is the slightest doubt in the minds of any that dandruff germs do not exist, their belief is compelled by the fact that a rabbit inoculated with the germs, became bald in six weeks' time.

It must be apparent to any person therefore, that the only prevention of baldness is the destruction of the germ—which act is successfully accomplished in one hundred per cent of cases by the application of Newbro's Herpicide.

Dandruff is caused by the same germ which causes baldness and can be prevented with the same remedy—Newbro's Herpicide.

Accept no substitute. "Destroy the cause you remove the effect."

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. F. W. Schmidt Co., special agents.
