STRONG TESTIMONY.

This is Pendleton Testimony and Will Stand Investigation.

If you should doubt the following and wish to investigate, you haven't to go to some other state in the Union to prove it. It's not a long story published in Pendleton newspapers about a resident of Kalamazoo, Mich. or Tampa, Fla. Its about a resident of Pendleton and given in his own words. No stronger proof can be had.

H. A. Thompson, retired, who lives on Stonewall Jackson street, says: "My kidneys troubled me by spells for 10 years, and at such times with a steady dull aching across my back. I used large quantities of various kinds of medicines said to be good for it, but they never benefited me enough so that I could notice it. Finally I got a box of Doan's Kidney Pills at the Brock & McComas Co. drug store and I found them to be just what I needed. They went right to the spot and not only relieved my backache, but cured it permanently. I will be only too pleased to tell others about the merits of this remedy."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—DOAN'S—and take no other.

WANTED—YOUR ORDERS FOR ENGRAVED cards, wedding invitations, etc.; 100 engraved visiting cards with plate, \$1.50; additional cards in future, \$1 per hundred. The East Oregonian.

WEEK WAS RAINY

OREGON EXPERIENCES A FEW WET DAYS.

No Serious Results in Any Section—Harvesting Well Along—Vegetables and Fruit in Fine Condition—Corn Growing Nicely.

Good rains fell during the first of the week in all sections of the state, and last Saturday local rains occurred in the Willamette valley and coast counties. The rains were quite heavy in the eastern sections on the 25th and 26th, but although they interfered with harvesting and threshing, they did no material damage to the grain in shock. In the Willamette valley the rains and cloudy weather caused an increase of lice and mold in the hop yards, but no great amount of damage has yet occurred. Hop picking has commenced, and it will become general this week. The conditions now seem settled with good prospects for at least two or three days of clear and warm weather which will insure a good start in harvesting the hop crop.

Wheat, oats and barley have nearly all been cut, and threshing is well advanced. The yields continue to turn out satisfactory, and the farmers are busy hauling the crop to the warehouses. Potatoes, corn and other minor crops are doing nicely. Stock is in excellent condition for the season of the year, and the flow of milk in the dairy districts is exceptionally good. The third crop of alfalfa is being cut with average yields.

Apples and prunes continue to drop, as usual at this season of the year, but there is enough fruit left on the trees to give large yields of prunes, and it is believed a good crop of apples will be harvested. The prune harvest will begin in about two weeks. Evergreen blackberries are plentiful in the markets.

Columbia River Valley.

Wasco, Sherman county, W. C. Morehouse.—Fore part of week rainy, latter part fine; threshing well under way; both spring and fall wheat yielding well, and as a general thing, much better than expected before threshing began.

Lexington, Morrow county, Edwin B. Beach.—Wheat of good quality, yield near two-thirds of the usual production; fruit crop good; not a large yield of apples; potatoes not dried up before the rains are doing well; threshing is well under way and the hauling of wheat to the depot is progressing rapidly.

Heils, Umatilla county, S. T. Isaac.—Harvesting nearly completed, only a few lots remaining unthreshed; fully one-half of the crop is now in the warehouses; wheat and barley giving good yields; the quality of the wheat is excellent; heavy showers Tuesday and Wednesday, which greatly improved condition of roads.

Adams, Umatilla county, C. S. Ferguson.—Rain Wednesday, followed by very warm weather; threshing progressing; the rains did no damage of consequence to wheat; weeds starting on summer fallow.

Plateau Region.

McEwen, Baker county, J. L. Yanis.—Good rain first of week; haying about all done, average crop of wild hay; timothy extra good; steers looking well.

Ontario, Malheur county, A. L. Sprout.—Have had two days of rainy weather, which is the first since spring, and was of great benefit to the crops; weather now cool, second crop of alfalfa is harvested, and is a good crop; fruit of all kinds generally good.

Clarno, Wheeler county, L. H. Hale.—Rain during first of the week, fair during the last part; threshing begun; grain is of a good quality and very good yields.

Burns, Harney county, Mel Fenwick.—Rain first part of week benefited gardens; hay has mostly been taken care of; yield slightly below the average; grain harvest is well under way; about the usual crop; gardens are up to the average.

Deschutes, Crook county, John Atkinson.—Rain fell during first part of week; haying is from one-half to two-thirds done, with an average crop; spring rye is not all cut; it was damaged very seriously by frost in July.

CROP ESTIMATE.

Grain Yield in Walla Walla and Columbia Counties.

Reports from agents on grain in Walla Walla and Columbia counties indicate that former estimates are approximately correct, says the Walla Walla Union. The barley yield in Columbia county will average about 40 bushels per acre and wheat from 35 to 45 bushels per acre. About 80 per cent of the Columbia county crop is barley. The high price at which the first sales were made has prevented any further movement of this cereal. Wheat between Walla Walla and Waiilatup is yielding about 30 to 35 bushels and from Walla Walla to Pleasant View from 15 to 20 bushels per acre.

Ross has been in the ice business in Pendleton three years and has always sold the best in the ice line. His motto has been "No favorites, treat all customers alike."

Ladies' half soles 40c. Teutsch's.

ADVERTISED BY OUR FRIENDS

Mrs. Vincent Cole writes:

Dear Sirs: I wish to enclose a little note with my coupons and let you know how much I value Crescent Baking Powder. I consider it far superior to any other kind I have ever used. Enclosed coupon for Premium No. 3. I remain Yours truly Mrs. VINCENT COLE

Would you like to know all about Crescent Baking Powder? Would you like to prove for yourself that food made from it is whiter, wholesomer and lighter than that made from any other?

Can you find anyone, not prejudiced in favor of the old-fashioned cream of tartar, who will not give it unstinted praise?

No—then buy a can from your grocer, and you will be one of the thousands who are hourly adding to its increasing consumption and popularity.
