**REAL WISDOM.**

**The Method Adopted by the Monks of Olden Times.**

You may use any quantity of so-called "hair tonics," but if you want to be rid of dandruff and falling hair, a little Newbro's Herpicide will be advisable.

It goes to the seat of the trouble and kills the innumerable germs which are eating up the life of the hair and causing it to drop out.

"Herpicide destroys the cause and removes the effect." Accept no substitute.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. F. W. Schmidt, special agents.

**CANADA'S COMPETITION.**

**Dominion Lines Are in the Field as Grain Carriers.**

Philadelphia, Pa., Sept. 5.—Prominent grain brokers from representative houses of Baltimore and Philadelphia met in conference here this week and discussed plans to save the large exporting firms from the disaster they say is threatening by the diverting of the Western grain trade from these ports to Montreal and other Canadian cities.

It is said that the ocean steamship lines which have a terminal here are affected by this loss of trade. The cause assigned for the loss of the grain business is that the rate on the Canadian railroads is much lower than can be secured on any seaboard line which runs into Philadelphia or Baltimore. A second conference will be held in the near future to further discuss the matter and decide upon some plan of action.
