## NEW DENTIST IS OPENING OFFICES AT MILTON.

Hazel Dittebrandt Breaks Her Arm While Returning From School—Ministers Attended Conference—Narrow Escape From Fire at Stone's Furniture Store.

Milton, Or., Sept. 11.—J. L. Stofa, of Cedar Rapids, Ia., arrived here Wednesday morning and is visiting his sisters, the Misses Ida and Emma Stofa.

Dr. S. Archibald Fulton, of Spokane, came down on Tuesday's train and has decided to engage in dentistry here. He will open an office as soon as suitable rooms can be secured.

J. M. Adams, who has been here visiting his brother, Rev. A. J. Adams, took his departure Tuesday for his home in Perry, Kan.

Yesterday while returning from school in company with a playmate, Hazel, the 12-year-old daughter of Dr. M. M. Dittebrandt, fell and broke one of the small bones of the left arm. This is the second time the arm has been broken in the same place.

Miss Daisy Wilson has gone to Walla Walla, where she has accepted a position in the Public School.

Rev. G. H. Gillet, Rev. J. W. Compton, Presiding Elder H. S. Shantz, and W. C. Howard have gone to Walla Walla to attend the ninth annual session of the East Columbia Conference of the Methodist Episcopal Church South, which convened in that place yesterday morning.

Mrs. Louisa J. Berry is here from her home at Horse Island, and is a sister of her sister, Mrs. L. J. Phares.

This morning fire started in the main rooms of J. N. Stone's furniture store, and for a little while some excitement was in evidence. The fire was caused by a heated lamp being overturned. The flames were soon extinguished by a bucketful of water.

Mrs. A. M. Stone, who lives ten miles south of town here, and yesterday she was brought to town where she could receive medical aid. She is with her daughter, Mrs. H. F. Brown.

Mrs. Melvina Watkins is here today from her home at Weston, visiting friends.

Rev. D. C. Sanderson and wife returned Tuesday from Spokane, where they had been attending conference. It was quite a disappointment to all that Rev. Sanderson is not to be returned to this place again. Rev. A. L. Clark of Charleston, Wash., will arrive here next week and assume charge of the pastoral work, while Rev. Sanderson will go to Tomenoy, Wash.

## NEW THEATER PLANS.

Boston Has One of Most Modern Playhouses Yet Erected.

Boston, Sept. 12.—The latest addition to the list of Boston playhouses, Messrs. Weber and Field's new Globe Theater, is to be formally opened tonight with James K. Hackett in his new play "John Ermine, of the Yellowstone."

The new theater is pronounced by experts to be one of the most complete as well as one of the handsomest in the entire country. Many novelties intended for the convenience and safety of both players and public have been introduced in its construction. Particularly novel is the shape of the auditorium, which promises great things in the way of proper acoustics. From the proscenium arch back to the line of the balcony the house is like a huge tube; from the balcony line it flanges back to a curved rear wall. The form is not unlike the old-time speaking trumpet, and it is said that a whisper on the stage can be distinctly heard in the back of the house.

## THE FIRST STEP

Of the child is an event in the mother's life. How soon she feels when the attempt to walk is begun so early as to evidence childish courage and sturdy strength. Such pride should be enjoyed by every mother. But it often happens that the child is timid, weak and deficient in vitality, and clings to the mother's arm with no desire to walk or play.

Mothers should learn that to have strong children they must themselves be strong. For the child's strength is the gift of the mother.

The use of Dr. Ferris's Favorite Prescription by expectant mothers gives them health and strength to give their child strength. It rebuilds the nerves, strengthens the body and gives great muscular strength and elasticity, so that the baby's advent is practically painless.

It has been said Dr. Ferris's Favorite Prescription and its use is what you should know to be, and can cheerfully recommend it. writes Mrs. Victor J. Hodge, of Leesville, S. C., Kan. "I began taking it last two months before baby came and was greatly benefited by its use. The doctor who attended me said it did about as well as any one he had seen. I was sick only about three hours, and also that your 'Favorite Prescription' was the one best medicine which he had ever used."

"We now have a darling baby boy, strong and healthy, who weighs nine pounds when born (July 29th). During this month he has gained three and one-half pounds."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 21 one-cent stamps for expense of mailing only, for the book in paper covers, or 32 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.
