

There is no beverage more healthful than the right kind of beer. Barley malt and hops—a food and a tonic. Only 3 1/2 per cent of alcohol—just enough to aid digestion.

But get the right beer, for some beer is not healthful. Schlitz is the pure beer, the clean beer, the filtered and sterilized beer. No bacilli in it—nothing but health. And Schlitz is the aged beer that never causes biliousness.

During the summer Mr. Wilner was married to a Pendleton girl, and until this time it is not generally known who the lady is, or in fact, that he was married at all. His bride was Miss Bell Murphy, the daughter of Mrs. Mary Murphy, and a sister of Mrs. Darr Phelps. Mr. Wilner claims that it is now too late in the day for him to buy cigars, but undoubtedly his friends will think otherwise.
