GOLF TOURNAMENT.

Large Crowds Attend Annual Meet at Lenox Park. Lenox, Mass., Sept. 12.—Society notables who have been spending the summer in the Berkshires turned out in force today at the opening of the annual Lenox golf tournament on the Stockbridge links. Several additional trophies have been put up this year and from indications at the opening the tournament will be unusually successful. The play will continue through the greater part of the coming week.

DIAMONDS IN DEMAND.

More Than \$30,000,000 Worth Imported to This Country Last Year.

More than \$30,000,000 worth of diamonds and other precious stones were brought into the United States in the fiscal year just ended. The department of commerce and labor, through its bureau of statistic statements, shows that the total importation of diamonds and other precious stones in the 11 months ending with May, amounted to more than \$28,000,000 in value, and as the figures for the month of May alone were about \$3,000,000, it is evident that the June figures will bring the grand total of diamonds and other precious stones up to a full \$30,000,000 for the fiscal year ending June 30, 1903.

This is the largest importation of diamonds and other precious stones ever shown in a single year of American commerce.

The rapid growth in the importation of diamonds, while it suggests general prosperity, also seems to indicate the development of a comparatively new industry in the United States—the cutting of diamonds.

Extending Creamery Limits.

The Union creamery this week established a skimming station at Medical Springs, 20 miles east of here, thus adding the milk of about 700 cows to the receipts of the creamery. The residents of Medical Springs offer substantial encouragement to this enterprise, having agreed to erect the building, furnish fuel and deliver the cream to Union.—Union Republican.

A Danger Period Through Which Every Woman Must Pass.

Owing to modern methods of living, not one woman in a thousand approaches this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms. At this period a woman indicates a tendency towards obesity or tumorous growths. Those dreadful hot flashes, sending the blood surging to the heart until it seems ready to burst, and the faint feeling that follows, sometimes with chills, as if the heart were going to stop forever, are only a few of the symptoms of a dangerous nervous trouble. The nerves are crying out for assistance. The cry should be heeded in time. Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life, and all women who use it pass through this trying period with comfort and safety.

TWO COLUMNS OF PROOF.

"DEAR MRS. PINKHAM:—I was sick and nothing seemed to do me any good until I began taking Mrs. Pinkham's medicine. It was Change of Life with me and nothing of the womb. I had severe pains all through my body. I had a terrible cough and people thought I had consumption. I took six bottles of Lydia E. Pinkham's Vegetable Compound and two of Blood Purifier, and two boxes Liver Pills, and I am now stouter than I have been for a long time. I can do all my work now, thanks to Lydia E. Pinkham's Vegetable Compound. If any one wishes to write me, to verify these statements, I will gladly answer their letters." Mrs. CLARA CHEZEM, Jewett, Ill.

"DEAR MRS. PINKHAM:—For seven years I had been suffering, was passing through the Change of Life, and my womb had fallen; menses were so profuse that at times I was obliged to lie on my back for six weeks at a time, could not raise my head from pillow. I had been treated by several physicians, but got no relief. I was advised by friends to try Lydia E. Pinkham's Vegetable Compound, which I did, and after taking it six weeks I was able to be around all the time and do my housework. I know your medicine saved my life and I cannot praise it enough." Mrs. MARTA ROZAR, 519 South St., Millville, N.J.

"DEAR MRS. PINKHAM:—I have worked hard all my life, and when the Change of Life came I fared very badly for weeks at a time. I would stop for a day or two, then start again. I went to see a doctor and went through an examination, and spent two hundred dollars for medicine and doctor's bills, but I did not get the relief I expected. At that time I saw Lydia E. Pinkham's Vegetable Compound advertised and began its use. I have found it to be just what I needed. I wish every woman suffering from female trouble would try it. I recommend it to all my friends." Mrs. WM. DAILY, Millbank, S.D.

"DEAR MRS. PINKHAM:—I feel it a duty I owe you and every suffering woman in the land to tell of the wonderful results I have found in using Lydia E. Pinkham's Vegetable Compound and Liver Pills. Passing through the Change of Life, some of the physicians consulted said nothing but an operation would save me. But your medicine alone cured me." Mrs. MAGGIE DEAN, 191 First Avenue, Evansville, Ind.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

CURED WHEN OTHERS FAILED

1056 Winneaux Avenue, Chicago, Ill., Oct. 25, 1902.

Wine of Cardui can always be relied upon to cure when everything else fails. It is a certain cure for female diseases in their worst forms. I suffered for years with ulceration. Intense pains in the womb and cramps and dreadful headaches afflicted me for my whole life. Finally I grew so ill that I had to keep to my bed. The pains were so intense at times as to cause spasms and a disagreeable discharge from my life forces. In my extremity after all else had failed, I tried Wine of Cardui. After using it for two weeks I began to improve so rapidly that I felt encouraged to keep up the treatment, which I did for eighteen weeks, but at the end of that time I was entirely cured. What a relief was mine and how new and beautiful life looked to me when my health was restored. Only those who have passed through such a step of weakness as I have will understand how much I value Wine of Cardui. It is indeed a boon to sick women.

Frances Mitchell
Secretary, North Chicago Women's Verein.

Every weak woman needs Wine of Cardui. Wine of Cardui cures disordered and painful menstruation, periodical headaches, falling of the womb and leucorrhoea. It cures extreme cases of these troubles. It strengthens girls approaching womanhood, helps bring children to barren homes, makes pregnancy and childbirth easier, prevents miscarriages and is the best medicine ever made for use during the change of life. Why permit the good woman in your home to suffer another day? Every druggist has \$1.00 bottles of Wine of Cardui.
