How to Sell a Crop and Still Have it.

A great many farmers carry their crops for a long time after harvest waiting for an advance in prices. Those who need money can get a large part of the value of their crop out in money and still hold the grain for an advance in the following

Suppose a farmer has 5,000 bushels of wheat which he can sell at 65 cents a pushel; let him sell it and receive \$3,250 in payment; then let him buy 5,000 bush-els of May wheat and margin it 5 cents a bushel. Many Principal Cities of the United States and Some of Canada Are Represented-Many Questions of Great Interest Are Being Discussed -Seventh Annual Session.

Baltimore, Md., Oct. 7.-The seventh annual convention of the League of American Municipalities began its three-day session today in the Y, M. C. A. auditorium. Doan's Kidney Pills cure all kidney ills.

Pendleton people prove this.

Read a case of it:

Mrs. J. Brynk, who lives on Star street, says: "Doan's Kidney Pills are a grand medicine, as I know from experience, and I have no hesitation in saying that any sufferer from backache or other kidney troubles who will give them a fair trial, will be more than well satisfied with the results. I suffered for three or four years with sharp pains in my back which became acute when I attempted to bend over, or to lift anything. Besides, I had rheumatism or lumbago in my left arm so bad that I could not raise it above my shoulder without asistance from my left hand. I saw Doan's Kidney Pills advertised and got a box at the Brock & McComas Co. drug store. When I had used three boxes the backache had vanished and with it the rheumatic pains through my arm."

For sale by all dealers. Price 50 cents per box. Foster Milburn Co., Buffalo, N. Y., sole agends for the United States.
