Perhaps the busy men do not have time to read, but the women do. The other day one of the solid business men of this city said: "You've got a nice business, the best in town, haven't you?" "Well, yes," came the reply "and you want to know why we advertise, why we endeavor to get more customers do you? Why we get them and the best part retain them? Were you to spend an entire day in this store it would be plain, you would see and know."
 "The very nicest in every way, of reasonable wearing apparel can be found in this store, where each and every person is treated just alike, and now we'll also tell you and be able to truthfully tell you, that we are just doing the very best business we've ever done. We are not satisfied to do just as well, but must do better every season. We want your help, we will try to please you and we would like to say this much further, that it is impossible to please everyone, but we think that the Peoples Warehouse comes very near the mark when it is said that it pleases nearly everyone who comes in the store. We make it our policy, money back if for any reason you're dissatisfied."

Ray-Carnine.

I. L. Ray and Mrs. Edith F. Carnine, both of this city, were married Sunday, October 11, at 7 a. m. in this city, at the residence of Jesse Failing and wife, the bride's parents. Rev. N. H. Brooks officiating. Only immediate relatives of the contracting parties were present. Mr. and Mrs. Ray left at once for Spokane on a wedding trip.

Visit Relatives Here.

Mr. and Mrs. Jacob Robbins were in the city over Saturday and Sunday visiting with their relatives, W. D. Hansford and wife. They left this morning for California, where they will visit for some time. Mr. Robbins is a manager of the Red Boy mine, in Sumpter.

Violated Closing Order.

Two alleged violations of the 5 o'clock p. m. closing rule are being investigated. It is not believed that the parties are wilfully violating the agreement, but rather that they kept open until a somewhat later time through inadvertence.

He Stole a Bridle.

John Doe, accused of stealing a bridle from the Carney livery barn, is being tried this afternoon in Judge Fitz Gerald's court.

Fall Trade Good

It is good and that's a fact says Mr. Finneran to our reporter. How do you account for it, when others are complaining about the fall trade I asked him. Why, I do not know any other good reason than that the people have found out that we are actually selling better shoes for the money or the same quality for less money than others do. It is really remarkable how many people there are who remark about the "wearing quality" of our shoes. Now that is what we pay for and you get when you buy Douglas or Gloria or Red Schoolhouse Shoes. These shoes are sold at a price and no one attempts to undersell them—they simply can't and live. We have found the least margin of resistance to trade and that accounts for our increase this fall. Now watch us sell shoes. We carry shoes on five widths in all foot form lasts—in all leathers, heights, styles, sizes, weights, etc. "Say, don't that boy talk some?" I thought as I went on my way with a fine pair of the Douglas shoes on from the
